On 8/16/60, Mr. MICHAEL EDWARD O'BRIEN, who resides at 5511 Hudson Avenue, West New York, New Jersey, and is employed as a truck driver by Adley Express, 58th Street and Maurice Avenue, Long Island City, New York, appeared at the NYO and furnished IC [redacted] with the following literature:

Pamphlet entitled "Names of Jews Running the United Nations", published by the Christian Nationalist Crusade, P. O. Box 27895, Los Angeles 27, California.

Pamphlet entitled "Masters of Life and Death", edited by GERALD L. K. SMITH, Christian Nationalist Crusade, P. O. Box 27895, Los Angeles 27, California.

Pamphlet entitled "The Cross and the Flag", November, 1959, official organ of captioned organization.

March, 1960 issue of "Common Sense", edited by CONDE MCINLEY, 530 Chestnut Street, Union, New Jersey, and published by the Christian Educational Association, Union, New Jersey.

Mail order for pamphlets distributed by the Christian Educational Association, Union, New Jersey.

May, 1960 issue of "The Southern American", published by The National Patrick Henry Organization, Inc., 1150 18th Avenue, Columbus, Georgia.

Mr. O'BRIEN advised that he has been receiving the above literature at various times, and has no idea how the senders obtained his name and address. O'BRIEN stated that he has no desire to receive such literature, and wished to make the above literature available to the FBI for information purposes.

CHRISTIAN EDUCATIONAL ASSOCIATION

"Common Sense" is a bimonthly tabloid size newspaper published by the Christian Educational Association, 530 Chestnut St., Union, N. J. The last statement of ownership appeared in the 10/1/59 issue and listed the owner and publisher as the Christian Educational Association and editor as Conde Mc Ginley. Each issue of the publication contains a box which indicates that Mc Ginley is the Editor and that it is published by the Christian Educational Association.

The Committee on Un-American Activities of the United States House of Representatives on 12/17/54 published a "Preliminary Report on Neo-Fascist and Hate Groups" in which their growth and objectives are discussed at length. This report indicates that "Common Sense" has a fluctuating circulation of between 30,000 and 100,000 copies an issue. The report described the paper as a "hate sheet" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee".

According to the report, "Common Sense" depicts Communism as Judaism and devotes its pages almost entirely to attacks on the Jewish, and to a lesser extent the Negro minorities in the United States. Sympathy for the former Nazi Government in Germany is also shown in the paper.

Dear Mr. Burke:

Your kind attention is invited to the annoyance and Un-American practices of a certain group called the "Christian Educational "Association, which has headquarters in Los Angeles, California and Field Office in Union, N. J.

This organization is on the Attorney General's list of subversive organizations, and when the current material was received, I reported it to my Division Supervisor, Mr. Martin M. Klein, of the Issue Control Division, U.S. Naval Supply Center, Bayonne, N. J., who very promptly arranged a conference with Mr. Joseph LaRocca, Personnel Supervisor at the Center. Mr. LaRocca suggested I contact your office and inform you of what I have. Perhaps you could help me to get my name off that outfits mailing list, as the matter they send is not only unwanted, but is dangerous to the internal security of the United States.

As a Federal Employee (Grade GS-3) Issue Control Division, NSC Bayonne, N.J., I feel it was and is my duty to myself and my country to expose these things and bring them to the attention of the proper authorities.

It is requested that Mr. Klein and Mr. LaRocca be forwarded a copy of any correspondence relative thereto.

The printed matter will be forwarded your office under separate cover. With every good wish and best regards to you and your staff, I remain

By letter to New York dated 10/5/60, Richmond advised that the following individuals were four new members of captioned party: [redacted]

and [redacted]

NYO indices reflected no information identifiable with these individuals. [redacted] on 10/31/60, advised he could furnish no information concerning them.

b7D

On 11/28/60, [redacted] advised that CONDE MC GINLEY of the Christian Educational Association, 530 Chestnut Street, Union, New Jersey, who publishes the periodical, "Common Sense," had stated that ROCKWELL had written a book in which ROCKWELL makes the statement that RUSSELL MAGUIRE, publisher of "American Mercury," had promised to pay \$10,000 to ROCKWELL, [redacted] and one of MC GINLEY's sons if they would kill some Jews.

b6

The source was unable to furnish any additional information concerning the alleged offer made by MAGUIRE except that CONDE MC GINLEY was worried because such a statement as made by ROCKWELL "could lead to an investigation by the authorities."

Concerning RUSSELL MAGUIRE, it is noted that on 3/9/59, JAMES F. O'NEIL, publisher of "The American Legion Magazine," advised that he had learned from various sources that RUSSELL MAGUIRE, Chairman of the Board of "American Mercury" magazine is a confirmed anti-Semite.

WILLIAM LAVARRE, former editor of "American Mercury" who furnished information to a Bureau representative at Washington, D.C. on 1/20/58, and with whom contact has not been sufficient to determine his reliability, advised that RUSSELL MAGUIRE was very anti-Semitic and described MAGUIRE as a refugee from the "crack-pot fringe."

On 11/28/60, [] furnished two articles - which had been mailed out by ROCKWELL. These articles consist of a pamphlet entitled, "And They Call Me A Jew Spy!", and a letter headed, "Urgent", and addressed to "Fellow American White Man!". Photostats of the above two articles are herewith enclosed for the information of the Bureau and Washington Field.

On 12/5/60, [] advised that [] had visited JAMES H. MADOLE in New York City, date unknown, and made the statement that he had left ROCKWELL and the American Nazi Party (ANP) because "Two more half-Jews have joined the Party and are now with Rockwell."

b6

Detective [] advised that in addition to [] there were about 12 persons present at this meeting and included []

b6
b7C

[] KURT NIPPE, 3024 Fulton Street, Brooklyn, New York, LUKE ALEXANDER DOMMER and []

NYO indices reflect no pertinent information concerning [] or []

b6
b7C

It is noted that KURT NIPPE (Bufile 65-33939, NY File 105-9520) has in the past addressed letters to the Director and has furnished information both orally and by letter to the NYO concerning individuals who are active in the affairs of the NRP. However, a great deal of the information furnished by NIPPE was based on hearsay and conclusions drawn by him. It is further noted that NIPPE

NY 157-13

in the past has been irrational at times and unable to distinguish between facts and fiction.

NYO indices reflect that LUKE ALEXANDER DOMMER (NY file 105-32653) was interviewed by Special Agents of the FBI on 12/2/58, in order to develop information concerning bombings of a racial or religious nature. At that time DOMMER advised that he had been invited to participate in a demonstration in Washington, D.C. organized by GEORGE LINCOLN ROCKWELL in July, 1958, but had declined.

Detective [] advised that he did not learn what was discussed at the above meeting which lasted from 3:30 p.m. to 6:40 p.m. on 12/4/60, but advised that two congratulatory telegrams were received by [] at the Lotus Restaurant on 12/4/60, one from GEORGE LINCOLN ROCKWELL and the other from one [] of FAN. It is noted that as previously set forth in this communication, [] furnished information that one [] who is employed in the [] is a ROCKWELL sympathizer and a member of FAN.

b7D

On 12/14/60, [] advised that in addition to those previously mentioned who attended the FAN meeting on 12/4/60, ERNEST ELMHURST and one [] (ph) who comes from [] were also present.

b6

b7D

NYO indices contain no information identifiable with SCOTT BARR.

Concerning ERNEST ELMHURST it is noted that he was born in Germany in 1891 and entered the United States at New York City on 11/19/22, under the name of ERNEST FREDERICK CARL KLOPPLEICH. He was naturalized in United States District Court, Boston, Mass., on 4/22/29, under

NY 157-13

certificate number 2940861, at which time he changed his name to ERNEST FREDERIK ELMHURST. ELMHURST is the author of "World Hoax" in which he attempts to show the tie-up between Communism and world Jewry. In 1952 ELMHURST delivered a lecture in Hanover, Germany, before various youth organizations in which he advanced pro-Nazi arguments and attacked Great Britain.

According to [redacted] most of the talking at the 12/4/60. FAN meeting was done by [redacted] and [redacted] and [redacted] previously mentioned. [redacted] stated that the main purpose of the meeting was to enlist volunteers for a picket line on the motion picture "Exodus" which has its premiere in New York City on 12/15/60. According to [redacted] "FAN signs" will be used in this picket line.

b6
b7C
b7D

[redacted] also stated at this meeting that he had been informed that the name, "Fighting American Nationalists" to some people sounds entirely too belligerent and indicated that if a change is to be made he can easily retain the initials FAN and substitute for it, "For America Now" or "For Action Now."

b6
b7C

The source further advised that at the above meeting [redacted] mentioned that he will be in touch with the FAN group in South New Jersey and furnished [redacted] with the phone number of this FAN group which sounded like Clifford 6-1837.

JEW RELIGION EXPOSED

FROM THE "TALMUD" WHICH IS THE JEWISH HOLY BOOK, TAUGHT BY THE RABBIS IN THE SYNAGOGUES, WE FIND THAT JESUS IS REFERRED TO AS:

an Am-haaretz, or ignorant clod, a fool, liar, deceiver, the bastard son of a harlot, who set up His churches

as warehouses with harlots inside to get male customers drunk until they disrobe and worship the "IDOL" Jesus as in Baal sex-worship. TODAY He is given FIVE deaths wherever "Judaism" is taught: He is sunken in "dung to the armpits" and strangled; sunken in "dung to the armpits" and boiling lead poured down His pried-open mouth to burn the intestines; He is decapitated; He is stoned to death; He is crucified as a "blasphemer" of this religion of Pharisaism. Christians rank far below prostitutes, with whom they are standardly compared. All are consigned to hell where "boiling excrement" is their punishment and "boiling semen" is Christ's. Mocking the Bible is no sin but mocking the Talmud "Sages" is the crime of crimes for which the above punishments are given. The "Sages" reverse every Biblical teaching. One may curse parents and beat them to the point of drawing blood when alive, but the sky is the limit when they are dead; a grown man may always rape or commit sodomy with a baby girl under three years old and may commit sodomy with little boys under "nine years and one day" and with a "terefah" (chronically sick person), a dead body or with a neighbor's wife. The basic doctrine of Pharisaic Judaism is that all non-Talmudists rank as non-humans, "the people that are like an ass—slaves who are considered the property of the master" (the human being or Talmudist). The non-Talmudist has no rights under any legal code whatsoever. The "Lord" will never forgive anyone who returns a lost article to a non-Talmudist UNLESS not returning it will jeopardize Jewry in general and expose the Jewish religion for the code of anti-human criminality that it is—THEN it is a crime not to return it. To try to kill a non-Jew is so meritorious that if in the effort to do this a Jew is killed, there is no penalty.

If a woman's lightest sin be that incestuous relations with an older son resulted in a younger son, her heaviest sin must then be "minuth" or Christianity. Even talking to a Christian is likened by the "Sages" to visiting a harlot's house. Murder, robbery, rape, deception of non-Jews, rank only as the meritorious acts of a human being who owns the chickens, cows and asses of creation for his own use. Every Talmudic authority boasts that Marxism was invented and has been led by "them which say they are Jews."

COMMUNISM-SOCIALISM is only the Talmudic code in action. It is sadistically ANTI-CHRIST, anti-human, filthy and SATANIC. It is no accident that all Jewish authorities today state that the Jewish religion as it is today springs in an unbroken line thru all the centuries from the PHARISEES. Nor is it any accident that the Divine Savior warned in the flesh and from the Spirit that the Pharisees were of the Devil (John 8:37-44; Luke 11; Matt. 23; Rev. 2:9;3:9) saying "I know the blasphemy of them which say they are Jews and are not but do lie and are of the synagogue of Satan" (Rev. 2:9;3:9).

But, today, as in the time of Christ, hatred of Him also inspires the buying up of Judases to betray Him:

"Woe unto you, scribes and Pharisses, hypocrites! for ye compass land and sea to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves" (Matt. 23:15).

The pagan Pharisees, whose Babylonian Talmud TODAY

permits burning children to Molech, did not gain mastery over Judaism until the Sadducees, sticklers for Scripture and against Pharisaic "Tradition" which nullifies the Bible, were overwhelmed after the Bible believing Jews accepted Christ and left the synagogue. Pharisees then took over and completely remodeled "Judaism" on abominator lines. (Matt. 23:23)

—ooOoo—

JEW'S ADMIT IT WAS A JEW'S WAR

The Jews themselves make no secret of the fact that the recent war was a Jewish one in its entirety. Consider these statements by Jews on it. The Jew Scholem Asch in a pep talk to French troops in the line, (written in the French newspaper Les Nouvelles Litteraires of February 10th, 1940), says "This is our war, and you are fighting it out for all of us. Even if we Jews are not bodily with you in the trenches, we are nevertheless morally with you."

The Rabbi Reichhorn wrote on July 1st, 1880, in the periodical Le Contemporain, "We shall drive the Christians into wars by exploiting their national vanity and stupidity. They will then massacre each other, thus giving room for our own people."

The Jew Marcus Eli Ravage wrote in the periodical The Century Magazine of January, 1928, "We have stood at the back of, not only the last war, but all your wars; and not only the Russian, but of all your revolutions worthy of mention in your history."

The Jew Valadimir Jabotinsky, leading Zionist, wrote in his book "Die Fudische Kriegsfront, 1940: "When the National Socialists and their friends cry or whisper that this is brought about by the Jews, they are perfectly right."

The Jewish magazine The Sentinel of Chicago wrote in its issue of October 8th, 1942 as follows: "The second World War is being fought for the defense of the fundamentals of Judaism."

—ooOoo—

FROM THE PROTOCOLS OF THE LEARNED ELDERS OF ZION (JEW CONSPIRACY FOR WORLD CONQUEST)

It is indispensable for our purpose that wars, so far as possible, should not result in territorial gains; war will thus be brought on to the economic ground, where the nations will not fail to perceive in the assistance we give the strength of our predominance, and this state of things will put both sides at the mercy of our international agentur: (agents and agencies made use of by the Jews) which possesses millions of eyes ever on the wealth and unhampered by any limitations whatsoever. Our international rights will then wipe out national rights, in the proper sense of right, and will rule the nations precisely as the civil law of States rule the relations of their subjects among themselves.—(Protocol No. 2)

Non-Jew. this is the truth that will make you free and can be proven in any OPEN American court. Copy it, scatter it. Organize, secretly, now, to beat these "Children of the Devil," at their own game. Fear not, God is with you in the spirit of our Lord Jesus, a Judean, but not a Jew. Your legal authority is in the 10th article of your country's constitution.

JEWS AND YOU

JEWS RULE THE WORLD IN SECRET. THIS IS THEIR YEAR 5716. BERNARD M. BARUCH IS THE PRESENT JEW KING. THEY REFER TO ALL NON-JEWS AS CATTLE (GOYIM). FOLLOWING ARE EXCERPTS FROM THE "TALMUD," JEW HOLY BOOK, EQUIVALENT TO OUR BIBLE, TAUGHT FROM BY THE RABBIS IN THE SYNAGOGUES.

"YOU ARE HUMAN BEINGS, BUT THE NATIONS OF THE WORLD ARE NOT HUMAN BEINGS BUT BEASTS."
—Baba Mecia 114, 6.

"ON THE HOUSE OF THE GOY (NON-JEW) ONE LOOKS AS ON THE FOLD OF CATTLE."—Tosefta Erubin VII, 1.

Gems From The Talmud

"Marriages taking place among Gentiles have no binding strength, i. e., their cohabitation is just as the coupling of horses, therefore their children do not stand as humanly related to their parents." (Law 88).

"MEDINA IVRIT" (The Jewish State). Prague, No. 33, Sept. 27, 1935:

"In our hearts reigns but one sentiment. We command our hearts to banish all other emotions and to let themselves be led by that unique sentiment: that of revenge. Our people have now but one desire: TO DESTROY, RANSACK, BOYCOTT!"

KILL: In a 1931 booklet by Abraham L. Reiskind of New York, entitled "My Conception of God," the Jewish author admits: "There is a passage in the Talmud which is exceedingly bitter against the Gentiles, namely: 'The BEST of the Gentiles—KILL!'"

"A thing lost by a goy may not only be kept by the man who found it, but it is even forbidden to give it back to him."—Schulchan Aruch, Choszen Hamiszpat, 266, 1.

"The robbing of a Gentile is allowed as they are not our brothers" (Baba mezia 61).

"Should a Jew inform the goyish authorities that another Jew has much money, and the other will suffer a loss through it, he must give him remuneration."—Sz., Ar., Ch. Ha., 388.

"If there is no doubt that someone has thrice betrayed the Jews or caused their money to pass to the goys, a means and wise council must be found to do away with him."—The same.

"Although it is not a direct obligation for a Jew to kill a Gentile with whom he lives in peace, yet, in no case, is he allowed to save a Gentile's life." (Law 50).

Klatzkin, Jew, Zionist leader in Der Jude, 1916: "Only the Jewish Code rules our life. Whenever other laws are forced upon us, we regard them as dire oppression and constantly dodge them. We form in ourselves a closed juridical and business corporation. A strong wall built by us separates us from the peoples of the land in which we live—and behind that wall is a Jewish State."

—ooOoo—

THE COMPLETE EXPOSURE OF THE JEW

WHY JEWS ARE PERSECUTED FOR THEIR RELIGION:

"A Jew is permitted to rape, cheat, and perjure himself; but he must take care that he is not found out, so that Israel may not suffer."—Schul. Aruch, Jore D.

"If a goy kills a goy or a Jew he is responsible; but if a Jew kills a goy he is NOT responsible."—Tosefta, Aboda Zara 8:5.

"It is permitted to kill a Jewish denunciator everywhere. It is permitted to kill him even before he has denounced."—Schulchan Aruch, Choszen Hamiszpat 338.

"A Jewish mid-wife is not only permitted, but she is compelled to help a Jewish mother on Saturday (Jewish Sabbath) and when so doing to do anything which otherwise would desecrate the Saturday. But is forbidden to help a non-Jewish woman even if it should be possible to help her without desecrating the Saturday, because she is to be considered only as an animal."—Schul. Aruch, Orach Chaims, 539.

"A Jew may misuse the non-Jewess in her state of unbelief."—Maimonides, Jak. Chasaka 2:2.

"A Jew may violate but not marry a non-Jewish girl."—Gad. Shas. 2:2.

"A Gentile girl who is three years old can be violated."—Aboda Shara 37a.

"A Jew may do to a non-Jewess what he can do. He may treat her as he treats a piece of meat."—Nadarine, 20, B; Schulchan Aruch, Choszen Hamiszpat 348.

Who and what is in a position to overthrow an invisible force? And this is precisely what our force is. GENTILE masonry, blindly serves as a screen for us and our objects, but the plan of action of our force, even its very abiding-place, remains for the whole people an unknown mystery.—(Protocol No. 4).

To complete the ruin of the industry of the GOYIM we shall bring to the assistance of speculation the luxury which we have developed among the GOYIM, that GREEDY DEMAND FOR LUXURY which is swallowing up everything. We shall raise the rate of wages which, however, will not bring any advantage to workers, for, at the same time, we shall produce a rise in prices of the first necessities of life, alleging that it arises from the decline of agriculture and cattle-breeding: We shall further undermine artfully and deeply sources of production, by accustoming the workers to anarchy and to drunkenness and side by side therewith taking all measure to extirpate from the face of the earth all the educated forces of the GOYIM.—(Protocol 6).

We will not give them peace until they openly acknowledge our international Super-Government, and with submissiveness.—(Protocol No. 9). (i.e., U.N.).

We have fooled, bemused and corrupted the youth of the goyim by rearing them in principles and theories which are known to us to be false, although it is by us that they have been inculcated.—(Protocol No. 9).

In countries known as progressive and enlightened we have created a senseless, filthy, abominable literature.—(Prot. 15)

Economic crises have been produced by us for the GOYIM by no other means than the WITHDRAWAL OF MONEY FROM CIRCULATION. . . . You are aware that the gold standard has been the ruin of the States which adopted it, for it has not been able to satisfy the demands for money, the more so that we have removed gold from circulation as far as possible.—(Protocol No. 20).

—ooOoo—

All that is necessary for the triumph of evil is that good men do nothing.—Edmund Burke.

When bad men combine, the good must associate, else they will fall, one by one, an unpitied sacrifice in a contemptible struggle.—Edmund Burke.

PROTOCOLS

Human Freedom Debased

No alteration in the text of this translation has been made since it was first published.

III

20. The word "freedom" brings out the communities of men to fight against every kind of force, against every kind of authority even against God and the laws of nature. For this reason we, when we come into our kingdom, shall have to erase this word from the lexicon of life as implying a principle of brute force which turns mobs into bloodthirsty beasts.

Blackmail- A Vicious Weapon

X

13. In order that our scheme may produce this result we shall arrange elections in favor of such presidents as have in their past some dark, undiscovered stain, some "Panama" or other—then they will be trustworthy agents for the accomplishment of our plans out of fear of revelations and from the natural desire of everyone who has attained power, namely, the retention of the privileges, advantages and honour connected with the office of president

Plan Secrecy of the Plot

XIII

5. When we come into our kingdom our orators will expound great problems which have turned humanity upside down in order to bring it at the end under our beneficent rule.

6. Who will ever suspect then that ALL THESE PEOPLES WERE STAGE-MANAGED BY US ACCORDING TO A POLITICAL PLAN WHICH NO ONE HAS SO MUCH AS GUESSED AT IN THE COURSE OF MANY CENTURIES!

V

4. Moreover, the art of directing masses and individuals by means of cleverly manipulated theory and verbitage, by regulations of life in common and all sorts of other quirks, in all which the *goyim* understand nothing, belongs likewise to the specialists of our administrative brain. Reared on analysis, observation, on delicacies of fine calculation, in this species of skill we have no rivals, any more than we have either in the drawing up of plans of political actions and solidarity. In this respect the Jesuits alone might have compared with us, but we have contrived to discredit them in the eyes of the unthinking mob as an overt organisation, while we ourselves all the while have kept our secret organisation in the shade.

XI

7. For what purpose then have we invented this whole policy and insinuated it into the minds of the *goy* without giving them any chance to examine its underlying meaning? For what, indeed, if not in order to obtain in a roundabout way what is for our scattered tribe unattainable by the direct road? It is this which has served as the basis for our organisation of SECRET MASONRY WHICH IS NOT KNOWN TO, AND AIMS WHICH ARE NOT EVEN SO MUCH AS SUSPECTED BY, THESE GOY CATTLE, ATTRACTED BY US INTO THE "SHOW" ARMY OF MASONIC LODGES IN ORDER TO THROW DUST IN THE EYES OF THEIR FELLOWS.

Cripple the Nations by Loans

XX

37. But it is a proof of the genius of our chosen mind that we have contrived to present the matter of loans to them in such a light that they have even seen in them an advantage for themselves.

Planned Inflation or Depression

XX

20. Economic crises have been producer by us for the *goyim* by no other means than the withdrawal of money from circulation. Huge capitals have stagnated, withdrawing money from States, which were constantly obliged to apply to those same stagnant capitals for loans. These loans burdened the finances of the State with the payment of interest and made them the bond slaves of these capitals.

Control of our Economy Planned

VIII

2. We shall surround our government with a whole world of economists. That is the reason why economic sciences form the principal subject of the teaching given to the Jews. Around us again will be a whole constellation of bankers, industrialists, capitalists and—the main thing—millionaires, because in substance everything will be settled by the question of figures.

3. For a time, until there will no longer be any risk in entrusting responsible posts in our State to our brother-Jews, we shall put them in the hands of persons whose past and reputation are such that between them and the people lies an abyss, persons who, in case of disobedience to our instructions, must face criminal charges or disappear—this in order to make them defend our interests to their last gasp.

XX

1. To-day we shall touch upon the financial programme, which I put off to the end of my report as being the most difficult, the crowning and the decisive point of our plans. Before entering upon it I will remind you that I have already spoken before by way of a hint when I said that the sum total of our actions is settled by the question of figures.

XXII

2. In our hands is the greatest power of our day—gold: in two days we can procure from our storehouses any quantity we may please.

and it is happening today

VII

1. The intensification of armaments, the increase of police forces—are all essential for the completion of the aforementioned plans. What we have to get at is that there should be in all the States of the world, besides ourselves, only the masses of the proletariat, a few millionaires devoted to our interests, police and soldiers.

2. Throughout all Europe, and by means of relations with Europe, in other continents also, we must create ferments, discords and hostility. Therein we gain a double advantage. In the first place we keep in check all countries, for they will know that we have the power whenever we like to create disorders or to restore order. All these countries are accustomed to see in us an indispensable force of coercion. In the second place, by our intrigues we shall tangle up all the threads which we have stretched into the cabinets of all States by means of the political, by economic treaties, or loan obligations. In order to succeed in this we must use great cunning and penetration during negotiations and agreements, but, as regards what is called the "official language," we shall keep to the opposite tactics and assume the mask of honesty and compliancy. In this way the peoples and governments of the *goyim*, whom we have taught to look only at the outside whatever we present to their notice, will still continue to accept us as the benefactors and saviours of the human race.

Divide and Rule

V

5. For a time perhaps we might be successfully dealt with by a coalition of the GOYIM of all the world: but from this danger we are secured by the discord existing among them whose roots are so deeply seated that they can never now be plucked up. We have set one against another the personal and national reckonings of the *goyim*, religious and race hatreds, which we have fostered into a huge growth in the course of the past twenty centuries. This is the reason why there is not one State which would anywhere receive support if it were to raise its arm, for every one of them must bear in mind that any agreement against us would be unprofitable to itself. We are too strong—there is no evading our power. The nations cannot come to even an inconsiderable private agreement without our secretly having a hand in it.

PROTOCOLS

of the Meetings of the

LEARNED ELDERS OF ZION

Translated from the Russian of NILUS by

VICTOR E. MARSDEN

(Formerly Russian Correspondent to "The Morning Post,"
London, England)

PRESS II

5. In the hands of the States of to-day there is a great force that creates the movement of thought in the people, and that is the Press. The part played by the Press is to keep pointing our requirements supposed to be indispensable, to give voice to the complaints of the people, to express and to create discontent. It is in the Press that the triumph of freedom of speech finds its incarnation. But the *goyim* States have not known how to make use of this force; and it has fallen into our hands. Through the Press we have gained the power to influence while remaining ourselves in the shade; thanks to the Press we have got the gold in our hands, notwithstanding that we have had to gather it out of the oceans of blood and tears. But it has paid us, though we have sacrificed many of our people. Each victim on our side is worth in the sight of God a thousand *goyim*.

III

1. To-day I may tell you that our goal is now only a few steps off. There remains a small space to cross and the whole long path we have trodden is ready now to close its cycle of the Symbolic Snake, by which we symbolise our people.

VII

4. The principal factor of success in the political is the secrecy of its undertakings: the word should not agree with the deeds of the diplomat.

5. We must compel the governments of the *goyim* to take action in the direction favored by our widely-conceived plan, already approaching the desired consummation, by what we shall represent as public opinion, secretly promoted by us through the means of that so-called "Great Power"—the Press, which, with a few exceptions that may be disregarded, is already entirely in our hands.

XII

8. Literature and journalism are two of the most important educative forces, and therefore our government will become proprietor of the majority of the journals. This will neutralise the injurious influence of the privately-owned press and will put us in possession of a tremendous influence upon the public mind

Liberalism = Communism = Zionism

X

9. When we introduced into the State organism the poison of Liberalism its whole political complexion underwent a change. States have been seized with a mortal illness—blood-poisoning. All that remains is to await the end of their death agony.

One Zionist World Via War

II

1. It is indispensable for our purpose that wars, so far as possible, should not result in territorial gains: war will thus be brought on to the economic ground, where the nations will not fail to perceive in the assistance we give the strength of our predominance, and this state of things will put both sides at the mercy of our international *agentur*; which possesses millions of eyes ever on the watch and unhampered by any limitations whatsoever. Our international rights will then wipe out national rights, in the proper sense of right, and will rule the nations precisely as the civil law of States rules the relations of their subjects among themselves.

Mr. Henry Ford, in an interview published in the New York World, February 17th, 1919, put the case for Nilus tersely and convincingly thus:

The only statement I care to make about the PROTOCOLS is that they fit in with what is going on. They are sixteen years old, and they have fitted the world situation up to this time. **THEY FIT IT NOW.**

CORRUPT AND RULE

IX

9. In order not to annihilate the institutions of the *goyim* before it is time we have touched them with craft and delicacy, and have taken hold of the ends of the springs which move their mechanism. These springs lay in a strict but just sense of order; we have replaced them by the chaotic license of liberalism. We have got our hands into the administration of the law, into the conduct of elections, into the press, into liberty of the person, but principally into education and training as being the cornerstones of a free existence.

10. We have fooled, bemused and corrupted the youth of the *goyim* by rearing them in principles and theories which are known to us to be false although it is by us that they have been inculcated.

United Nations the Zionist Super World Govt.

V

By all these means we shall so wear down the GOYIM that they will be compelled to offer us international power of a nature that by its position will enable us without any violence gradually to absorb all the State forces of the world and to form a Super-Government. In place of the rulers of to-day we shall set up a bogey which will be called the Super-Government Administration. Its hands will reach out in all directions like nippers and its organisation will be of such colossal dimensions that it cannot fail to subdue all the nations of the world.

Communism - Zionist Offspring

III

7. We appear on the scene as alleged saviours of the worker from this oppression when we propose to him to enter the ranks of our fighting forces—Socialists, Anarchists, Communists—to whom we always give support in accordance with an alleged brotherly rule (of the solidarity of all humanity) of our social masonry. The aristocracy, which enjoyed by law the labour of the workers, was interested in seeing that the workers were well fed, healthy and strong. We are interested in just the opposite—in the diminution, the killing out of the GOYIM. Our power is in the chronic shortness of food and physical weakness of the worker because by all that this implies he is made the slave of our will, and he will not find in his own authorities either strength or energy to set against our will. Hunger creates the right of capital to rule the worker more surely than it was given to the aristocracy by the legal authority of kings.

Fluoridation - Tranquilizers - etc.

X

19. But you yourselves perfectly well know that to produce the possibility of the expression of such wishes by all the nations it is indispensable to trouble in all countries the people's relations with their governments so as to utterly exhaust humanity with dissension, hatred, struggle, envy and even by the use of torture, by starvation, BY THE INOCULATION OF DISEASES, by want, so that the GOYIM see no other issue than to take refuge in our complete sovereignty in money and in all else.

Confidential Magazine et-al

XIV

5. In countries known as progressive and enlightened we have created a senseless, filthy, abominable literature. For some time after our entrance to power we shall continue to encourage its existence in order to provide a telling relief by contrast to the speeches, party programme, which will be distributed from exalted quarters of ours . . .

These were found on an Elmwood Avenue
bus several months ago. One's first
thought is to destroy them, but perhaps
they might be of interest to your office
I don't know what kind of an organization
puts out a monstrous thing like this, but
that organization should be put out. - of

Enclosed herewith for your office is a copy of a circular entitled "Under Jewish Rule USSR" printed by the members of captioned organization, G. S. FEDOROV and I. PETROV, Argentina.

This circular was furnished NYO by [redacted]

[redacted] who stated she received it unsolicited through the mails, in a letter postmarked Hackensack, N.J., bearing no return address.

NYO indices reflected no information concerning captioned organization or identifiable with G. S. FEDOROV or I. PETROV.

On 3/20/61, [redacted] who has furnished reliable information in the past, examined the above circular and stated that it was the work of ALEX EFIMOV, an individual who resides at CONDE MC GINLEY'S residence in Union, N.J., and who has worked for MC GINLEY for a number of years.

The source could offer no firm basis for his statement that it was written by EFIMOV except to state that he recalls seeing this circular previously and also recalled that information he had previously obtained indicated that EFIMOV had written this circular using the pseudonym, I. PETROV.

Enclosed for the Newark Division are the following publications:

2 copies of four-page periodical titled, "Patriotic Books and Literature," undated, which reflects books noted may be obtained from Christian Educational Association, Box 807, Union, New Jersey.

1 Copy of a four page newspaper, titled, "Common Sense," dated 2/15/60, published by Christian Educational Association, Union, N.J.

1 copy of four page periodical titled, "The Key to Freedom," undated, published by Christian Educational Association, Union, New Jersey, U.S.A.

1 copy of two page flyer, titled, "The Coming Red Dictatorship," which reflects copies can be ordered from "Common Sense," the nation's anti-communist paper, 530 Chestnut Street, Union, N.J.

The above periodicals were furnished to SA [redacted] of the Pittsburgh Division on 3/1 and 3/15/61 by [redacted] who advised he had received them from his brother-in-law, FRED W. LUX, 1824 Freemont Street, McKeesport, Pa.

On 3/1/61 [redacted] advised that LUX is a retired City of Pittsburgh detective and now works as a private investigator. [redacted] related LUX has made some defamatory remarks in the past concerning the Jewish race, but LUX did not divulge the source of the publications.

On 3/15/61 [redacted] stated he has learned that LUX may have received the periodicals in question from [redacted]

however, he cannot substantiate that information except to state that [redacted] is known in the McKeesport area as being strongly Anti-Semitic.

(OO: Birmingham)

On May 11, 1961, [redacted]

[redacted] telephonically contacted the Cincinnati FBI Office and advised he has been receiving copies of the Thunderbolt newspaper which he thought was possibly put out by the Klu Klux Klan.

On May 11, 1961, [redacted] was interviewed by SA ROBERT H. BERTKE and advised he has received three copies of the Thunderbolt newspaper over the past three months; however, he had not read the first two copies and had thrown them away. The newspaper was being sent to his home, 6648 Foster Street, Cincinnati 30, Ohio. He advised he had never heard of the Thunderbolt newspaper prior to his receiving it and was not acquainted with the National States Rights Party. He knew of no one else who was receiving the newspaper and had never made any contribution to it. He advised the only way he could think of that the newspaper was able to obtain his address was as a result of an article appearing in the National Veterans of Foreign Wars and American Legion Magazines, which he had requested regarding the reunion of his World War II, U. S. Army unit at Cleveland, Ohio during August, 1960. He is the chairman of this reunion and requested the magazines print the article in an effort to contact veterans from his unit. In the article was listed his home address.

CHRISTIAN EDUCATIONAL ASSOCIATION

The Christian Educational Association of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense," a tabloid size newspaper published twice monthly except during July and August. Current issues of this paper identify the editor as CONDE MC GINLEY and the publisher as the Christian Educational Association.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Hate Groups" in which their growth and objectives are discussed at length. This report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the Committee."

According to the report, "Common Sense" depicts Communism as Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi government in Germany is also shown in the paper.

INFORMATION CONCERNING

On 10/24/61, [REDACTED] who has furnished reliable information in the past, advised SA [REDACTED] that captioned subject who is from Little Rock, Arkansas was in attendance at the 10/15/61 meeting of the Christian Patriotic Forum, held at the Christian Educational Association, 530 Chestnut St., Union, N.J.; publishers of "Common Sense", editor CONDE MC GINLEY.

According to the above source, [REDACTED] spoke at this meeting and stated that she has spoken before Lions' groups in Little Rock and in her talks named the "enemy" - the Jew".

[REDACTED] stated that there is "open Jew talk on the streets of Little Rock. We know the enemy. It is not Communism. It is Bolshevik-Judaism. The niggers would never have dared to try to become the equals of the whites if it were not for the Jews leading them into it."

[REDACTED] went on to state that she had "sent out thousands of copies of 'Common Sense'. It is the best."

According to the source, [REDACTED] further stated "we have high school boys going around from house to house after school hours giving out 'Common Sense'."

The source described [REDACTED] as [REDACTED]

A perusal of the issue of "Common Sense" sent
to [redacted] reveals that it is the same hate type literature
typical of "Common Sense", with a front-page story headlined
"The Three TV Networks and Radio Networks except Mutual in the
Hands of Non-Christians" and then contains photographs of
ROBERT SARNOFF, "AEC Zionist Controlled"; WILLIAM S. PALEY
(Palinsky), "CBS Zionist Controlled" and LEONARD GOLDBERSON,
"NBC Zionist Controlled".

It appears particularly noteworthy that enclosed
with the issue of "Common Sense" was the above quoted sheet of
paper soliciting contributions to the American Nazi Party, and
for that reason copies of this communication are being designated
for the Bureau and WFO files on American Nazi Party, WFO origin.
The issue of "Common Sense" and the above quoted sheet are being
retained in Richmond's file on captioned organization which
publishes "Common Sense" at Union, New Jersey.

[redacted] by letter dated 1/12/62 forwarded the material which is enclosed herewith for Baltimore. He advised that an employee of [redacted] (formerly called the [redacted]) had received by mail a copy of a newspaper-size sheet entitled, "The Coming Red Dictatorship". This is an avowed anti-Semitic item indicating that it was issued by the Christian Educational Association at 530 Chestnut Street, Union, New Jersey. It acts as a solicitation for copies of the so-called "Protocols" (of the Elders of Zion), the envelope is postmarked at Baltimore, Maryland 1/8/62 and bears return address of P. O. Box 7189, Baltimore 18, Md. It is addressed in handprinting to [redacted]

[redacted] According to [redacted] advised him that he has no idea who in Baltimore might have sent him the material or would know of his identity and place of employment. Likewise, [redacted] was unable to furnish leads as to any particular individual of his acquaintance who would have been likely to have furnished his name to a person in Baltimore for this purpose.

[redacted] has not been personally interviewed but can be interviewed if any investigation being conducted by Baltimore indicates that more details are desired. The original material is enclosed herewith for the Baltimore Office to assist in any investigation that may be under way there. It is suggested that Baltimore may desire to ascertain the holder of the Post Office box if this is not already known and to conduct investigation of that person.

Copy of this letter is furnished to Newark because of its continuing interest in the Christian Educational Association.

On 11/8/61, [redacted]

[redacted] appeared at the NYO and advised that his firm had received a letter from Micromech Manufacturing Corp., Union, New Jersey. This letter, which was in the Russian language, had been postmarked at Athens, Greece, and was received through [redacted] at Union, New Jersey. This letter was thought to be an order for merchandise and as such was forwarded to [redacted] for processing. On inspection, [redacted] came to the conclusion that the letter written in Russian dealt with the formation of some sort of subversive club and that it had been misdirected to P.O. Box 97 since the envelope was addressed as follows:

b6
b7C

"UNION NEW JERSEY
P.O. BOX 297
U.S.A."

It is noted that in the second line of the address the correspondent appears to have originally typed "B.O." and then the letter "B" was changed to "P" in ink. [redacted] turned the letter over to the FBI for whatever purposes we deemed necessary. The Russian text of the letter was translated by [redacted] of the NYO Translation Unit, and, as [redacted] commented, it appears to have to do with a committee or fraternity of some kind. A copy of [redacted] translation is enclosed for the Newark Office. There are also enclosed the original letter and the envelopes which were turned over by [redacted]

b6

It is recommended that the Newark Office attempt to identify the holder of P.O. Box 297 and conduct such other investigation as may be appropriate to identify this correspondent.

Rememo of IC [REDACTED] dated 3/9/62.

Title is marked changed to reflect full name of subject as per information below:

Referenced memo reflects that on 3/9/62, [REDACTED] General Motors Plant, U. S. Route #1, Linden, N. J. telephonically advised that he desired an agent to contact him regarding the subject who has been passing out literature at above plant. [REDACTED] indicated that subject is a Hungarian refugee who has been in the U. S. since about 1955.

On 3/13/62, [REDACTED] was contacted, at which time, he advised subject has been passing out anti-Semitic literature at the above plant. [REDACTED] displayed copies of this literature, which bears the caption "Common Sense", which literature is known of to the Newark Office, as well as other anti-Semitic literature published by the offices of the CHRISTIAN EDUCATIONAL ASSOCIATION, 530 Chestnut St., Union, N. J., which also publishes "Common Sense".

[REDACTED] advised that as a result of above, many employees at the plant have become quite disturbed at the subject and it would not surprise him if subject was harmed as a result of his actions.

[REDACTED] said he was aware that the subject's actions do not constitute a violation within the FBI's jurisdiction; however, he desired that the Bureau be aware of what was going on.

[REDACTED] said subject was warned not to pass out this literature or carry on any conversations concerning the information in this literature while at the plant. [REDACTED] said

One of these envelopes was addressed to "Piedmont Tidewater Recruiter". [redacted] advised that this is actually the U. S. Army Recruiting Station in Richmond, Virginia. The other envelope was addressed to [redacted] Troop Information Office, Ft. Monroe, Virginia".

Both of these envelopes contained identical literature in the form of printed throwaways which are anti-Semitic and published by captioned organization. One of these throwaways gives the appearance of being a page from a newspaper with the caption across the top "The Coming Red Dictatorship" and the other a smaller slick page is entitled "Jew Religion Exposed". It also appears that both of these envelopes were written by the same individual as the handwriting appears identical.

They are being furnished to the Cleveland Office for whatever assistance they may afford as the identity of the distributor of this type of literature may be already known to the Cleveland Office.

SUBJECT: MYERS G. LOWMAN
CIRCUIT RIDERS, INC.
CINCINNATI, OHIO

105-1910-375

Re Chicago letter to Bureau dated 4/20/62, captioned
"CIRCUIT RIDERS, INFORMATION CONCERNING."

INDEX

LOWMAN advised SA THOMAS P. SCOLLARD on 4/26/62 that he mailed one copy of his latest book to each FBI Field Office. The book is entitled "A Compilation of Public Records of 658 Clergymen and Laymen Connected with the National Council of Churches."

For the information of all offices, LOWMAN is the Executive Secretary of Circuit Riders, Inc., National Headquarters, 110 Government Place, Cincinnati 2, Ohio. This group is self described in a letter published 1/18/62 on the letterhead of Circuit Riders, Inc., which contains the statement, "Circuit Riders, Inc., was founded in 1951 to uphold those church leaders whose ministry and message is spiritual and moral in its emphasis and to expose and oppose the use of church facilities for socialistic, pro-Communist and other anti-American Activities. Compilations of public records, indicating whose name appeared where in support of which cause, have been the major portion of Circuit Riders, Inc. publications."

For the information of all offices, the Cincinnati Office maintains contact with LOWMAN to receive any information in his possession of interest to the FBI. No information of any kind is furnished LOWMAN.

Cincinnati does not index publications of LOWMAN because all information of value appearing therein has been obtained through research from official investigating bodies, or through review of public source material, however, indexing of publications is being left to the decision of each office.

CHRISTIAN EDUCATIONAL ASSOCIATION

The Christian Educational Association of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense," a tabloid size newspaper published twice monthly except during July and August. Current issues of this paper identify the editor as CONDE MC GINLEY and the publisher as the Christian Educational Association.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Hate Groups" in which their growth and objectives are discussed at length. This report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the Committee."

According to the report, "Common Sense" depicts Communism as Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi government in Germany is also shown in the paper.

Cons

District Judge C. V. MILBURN, Odessa, Texas, advised SA WILLIAM B. AHNDERS that he had received a letter from the Christian Patriotic Forum advising of a meeting to be held at Union, New Jersey.

Also enclosed were some publications of the Common Sense published at Union, New Jersey.

Judge MILBURN advised that a quick look at the publications determines that the paper is anti-Jewish. Judge MILBURN advised that he resents receiving such mail and wants to so inform the FBI in the event that they do not know of activities of subject organizations.

The above is being submitted for your information.

4. Two copies of a news item appearing in the 12/18/62 issue of the Evening Journal, Wilmington, Delaware, captioned, "FBI PROBES ANTI-SEMITIC CARDS HERE."
5. Two copies of a news item appearing in the 12/19/62 issue of the Evening Journal, Wilmington, Delaware, captioned, "U.S. ATTORNEY CHECKING ANTI-SEMITIC LITERATURE."
6. Two copies of a news item appearing in the 12/19/62 issue of the Morning News, Wilmington, Delaware, captioned, "ANTI-SEMITIC CARDS REPORTED."

With respect to the issue of "Common Sense," it was found under the windshield wiper of a Bureau car on 12/17/62 which was parked in the 1200 block of Market St., Wilmington, Delaware.

With respect to the post card and the issue of "The Coming Red Dictatorship," both were turned over to the Wilmington, Delaware Police Department on 12/17/62 by [redacted] b6 b7C

[redacted] who stated he found them on his automobile at 11:00 a.m., 12/17/62, while it was parked in the 800 block of West St., Wilmington, Delaware.

The post card and the issue of "The Coming Red Dictatorship" were turned over to SA E. JACKSON SWAN on 12/18/62 by Inspector [redacted] of the Wilmington Police Dept. No indication was made and no statement was made to Inspector [redacted] as to what, if any inquiry would be made concerning the matter.

It is known similar literature was left under the windshields of a number of cars in downtown Wilmington on 12/17/62.

With respect to the statement in the news item of 12/18/62, that "The local office of the FBI today confirmed that it had received complaints about the literature and was investigating," no such statement was made to any reporter of the Evening Journal or to any other person by any agent in the

Wilmington, Delaware Resident Agency. The only feasible explanation of that statement by the newspaper is that it is well known to all agents in the Wilmington Resident Agency that reporters of the local papers have rather free access to Police Department Reports, and in addition, past experience has shown that unidentified members of the Wilmington Police Department have apparently "leaked" information to their reporter friends.

On 12/19/62, MR. ALEXANDER GREENFELD, United States Attorney, Wilmington, made inquiry of the Wilmington Resident Agency concerning the literature, and requested SA E. JACKSON SWAN to review it and advise him whether or not its publication and distribution was a violation of any Federal statute, with particular attention to the possibility there might be a violation of the Extortion or Interstate Transportation of Obscene Matter Statutes. MR. GREENFELD was courteously, but definitely advised that a determination as to whether any act was a violation of Federal law was not within the authority of Special Agents of the Bureau, but was more properly within the authority and function of the United States Attorney, or the Department, depending upon the nature of the case. MR. GREENFELD then requested that he be given an opportunity to review the literature himself, and this was done on 12/19/62, following which, he stated he saw no violation of any Federal statute, but that he would probably write to the Department, advising it of the circumstances.

With respect to the news item appearing in the 12/19/62 issue of the Morning News, the last sentence of which reads, "The Federal Bureau of Investigation says it is not investigating any such complaints," no such statement was made by any Special Agent of this office to any member of the press or to anyone else. It is noted, however, that [redacted] reporter for the Morning News, contacted SA ROBERT ANDERSON on 12/18/62 and inquired as to whether the Bureau was conducting any investigation concerning this matter. SA ANDERSON informed [redacted] that the Bureau was aware of the distribution of the literature. [redacted] was also advised that the FBI makes no evaluation concerning the character or integrity of any organization, individual, or publication, since the Bureau is strictly an investigative agency. [redacted] was also advised that

b6

information in the files of the Bureau is confidential, and available for official use only. No statement was made to [redacted] that the Bureau was or was not investigating the distribution of the foregoing literature.

For the information of the Bureau and Newark, no investigation concerning this matter has been or will be conducted by this office, UACB.

ATTENTION: Mr. Cochran

Gentlemen:

In the normal course of our business we advertise in various business papers to inform the reader and to generate inquiries regarding our product, welded diaphragm metal bellows. A copy of our technical literature is enclosed.

We received an inquiry from Mylow Manufacturing Company and proceeded to forward literature describing our product. A short time later the enclosed letter was received, dated March 18, from the Christian Educational Association, along with two issues of their publication "Common Sense", also enclosed.

I do not know how the Christian Education Association received our literature except through a possible error in address. However, the tone of the letter and the nature of their newspaper I find to be very objectionable. I pass this information on to you for whatever value it may have.

Very truly yours,

IRWIN STEARNES FLEMING, 1761 Esmonde Avenue,
Cincinnati 14, Ohio, voluntarily appeared at the Cincinnati Office
of the FBI on 2/14/63, at which time he furnished the following
information to SAs JACK W. SUNDERLAND and [redacted]
He stated that DAVID GEORGE SCHREIBEIS, Madeira, Ohio, Self-
described Organizer, American Nazi Party, Cincinnati, Ohio,
telephonically advised FLEMING 2/14/63, that he wants FLEMING
to subscribe to "Common Sense" which he described as a Union,
New Jersey publication.

SCHREIBEIS told FLEMING that "Common Sense" is a Nazi-
type publication and that the only difference between
"Common Sense" and American Nazi publications is that the
ANP uses a German Swastika on its publications and "Common Sense"
does not. SCHREIBEIS did not elaborate upon the above
information furnished telephonically to FLEMING. FLEMING
stated he may subscribe to "Common Sense" in an effort to
gain confidence of SCHREIBEIS about ANP activities in the
Cincinnati, Ohio area.

For information Newark, FLEMING has been described as interested in ANP activities since August of 1962, however, claims that he is opposed to aims and principles of ANP and has only pretended to be interested in effort to gain info.

FLEMING stated that SCHREIBEIS, in November, 1962, gave him a business-type calling card approximately three and one half inches by two inches. On the front of this card is typed Monarch Employment Service, 1319 F St., Northwest, Washington, D. C., telephone number ST 3-1383.

On the reverse side of this card printed in pencil is the following:

Office number AX 1-0925, EX 1-8572. Below these numbers is printed the name HUTCH. FLEMING stated no further information appears on this card.

FLEMING advised that SCHREIBEIS told him at the time he gave him the card that the Monarch Employment Service would take good care of him if he ever needed help while in Washington, D. C.

SCHREIBEIS allegedly told FLEMING that all he had to do was identify himself as a friend of SCHREIBEIS and say he is active and interested in the activities of the Cincinnati Branch of the ANP.

FLEMING stated that SCHREIBEIS did not further elaborate upon the information furnished concerning Monarch Employment Service.

Above information furnished to Newark and WFO for intelligence purposes and for possible future assistance.

Other data furnished by FLEMING during interviews on 2/11 and 2/14/63, being furnished Bureau by separate communications.

This is to advise that on 3/18/63 Capt. [] of the Irvington, N.J.P.D., telephonically advised that on that date two of his patrolmen who are Jewish complained to him that someone had placed a copy of "Common Sense" on the front seat of their car while the car was parked. Capt. [] stated that in the opinion of these two patrolmen "Common Sense" appeared to be very anti-semitic, and he inquired as to whether the FBI had any investigative interest in this publication. He stated that he would cooperate in any way possible in conducting investigation that might be requested by the FBI.

Capt. [] was thanked for his interest in this matter and was advised that there was no investigation that he could conduct in behalf of the FBI in connection with this matter at this time.

Conde McGinley Dies; Published 'Common Sense'

Funeral Services
Thursday Morning

Funeral services are scheduled this Thursday at 9:30 a.m. in St. Michael's Church for Conde N. McGinley Sr., publisher of the anti-Jewish, anti-Negro "Common Sense." McGinley, who was 73, died at his 530 Chestnut st. home after a long illness, reportedly of cancer.

Born in Norman, Okla., he opened a chain of restaurants in Georgia from which he retired after World War II to devote full time to his publication.

He began publishing a weekly named "Think" in 1946 in Newark and later moved to the 14-room, stone house on Chestnut st. opposite the intersection with Colonial ave. where he organized the Christian Educational Association. The name of his publication was then changed to "Common Sense."

State Resolution

Pending now before the State Senate is a resolution introduced by State Senator Nelson F. Stamler of Union, calling for an investigation of McGinley's publications, by the Post Office authorities and the U. S. Justice Department. At the time of introduction of the resolution, Stamler branded McGinley as being "anti-Negro, anti-Catholic and anti-Jew."

McGinley's activities have been opposed by the Advocate, Catholic weekly newspaper, as well as Jewish War Veterans groups and the Anti-Defamation League of B'nai B'rith. His activities were investigated in 1954 by the House Un-American Activities Committee, but the case

(Continued on Page 5)

McGinley

(Continued from Page 1)
received little attention thereafter.

A circulation report in 1962 listed 91,000 subscribers to "Common Sense," which reportedly has a staff of 26 employed at Chestnut st. address.

"Common Sense" called itself "America's Newspaper Against Communism," claiming to give "The Truth, The Whole Truth and Nothing but the Truth, Without Fear or Favor."

Other publications published or obtainable at various times from McGinley's headquarters were "Protocols of the Learned Elders of Zion," "Jews and You," "Jew Religion Exposed," "The Coming Red Dictatorship," and "Seventy-Five Reasons why Community Water Supplies Should Not Be Fluoridated."

He is survived by his widow, two sons and a daughter. The body was taken to Haeberle and Barth funeral home, Vauxhall rd.

United States Post Office, (PROTECT IDENTITY), advised
P. O. Box 435, Gainesville, is issued to RALPH W. WHITING,
12 S.E. 4th Place, under the business name of Magic Sales.
He stated that WHITING has had this Post Office Box for over
30 years, and that the company Magic Sales had gone out of
existence a long time ago.

[redacted] advised WHITING was a white male,
approximately 70 years old, and was formerly the Postal
Telegraph Operator in Gainesville. He stated that at
present WHITING was working as a traveling jewelry salesman.
He stated that WHITING has always been considered to be

Newark, New Jersey

August 20, 1963

CHRISTIAN EDUCATIONAL ASSOCIATION

The Christian Educational Association of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense", a tabloid size newspaper published twice monthly except during July and August. Current issues of this paper identify the editor as Condo Mc Ginley and the publisher as the Christian Educational Association.

On December 17, 1961, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Hate Groups" in which their growth and objectives are discussed at length. This report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the Committee."

According to the report, "Common Sense" depicts communism as Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi government in Germany is also shown in the paper.

Gentlemen,

I would appreciate it very much if you could send me any information you might have or could get about a newspaper called "COMMON SENSE", published in Union, N.J. I have recently come in contact with a number of people who were dead set against anything the U.N. has to say or do, and it seems they were directly influenced by this paper. Any help you can provide would be greatly appreciated. Please send the information to the below address,

Dear [redacted]

I have for acknowledgment your recent letter wherein you make inquiry concerning a newspaper called, "Common Sense". The motive which prompted you to communicate with this office is indeed appreciated.

While I would like very much to be of assistance, the function of the Federal Bureau of Investigation as a fact gathering agency does not extend to furnishing evaluations or comments concerning the character or integrity of any individual, organization or publication. I thought you might also like to know that policy of long standing holds information in the files of the Federal Bureau of Investigation to be Confidential and available for official use only in accordance with the regulation of the Department of Justice. I regret, therefore, that I am unable to comply with your request for information.

I am sure you will understand the necessity for this policy and will not infer from my inability to be of assistance that we do or do not have the information you desire.

Very truly yours,

1-addressee

On August 10, 1963, a public rally was held near Sumter, S. C., by the Association of South Carolina Klans. There was a very large crowd there, and it is estimated there may have been a thousand automobiles. A field of about thirty acres was completely filled with autos, and other cars had to be turned away because of lack of parking space. There were about 200 persons in Klan robes. The following members of the Lancaster Klavern were seen there:

[redacted]
The master of ceremonies for the meeting with [redacted]
[redacted] but he did not exchange his name. One speaker introduced himself as [redacted] and made a statement that he was not hiding his identity. The main speaker was [redacted]

[redacted] said that all Klan organizations had come together in a National organization the previous Sunday, which would have been August 4, 1963. He said that Klan organizations are against using any violence, and that they are going to fight racial integration by picketing, boycotting, and public speeches.

A bag was passed around through the crowd for donations. [redacted] and [redacted] took charge of it after this was done, and no information was obtained as to the amount collected. Applications for membership were passed out through the crowd, and a large number of persons appeared to take them.

146x
Not in his speech, but in conversation with some of the Klansmen, [redacted] was heard to say that [redacted] was in New Jersey, seeing about running the newspaper "Common Sense," because the man who used to run it had died.

DID BENJAMIN FRANKLIN KNOW WHEREOF HE SPOKE

The following is a condensed form of Benjamin Franklin's address, delivered before the Constitutional Convention in Philadelphia in 1787.

"There is a great menace to these United States today and that great menace, Gentlemen, is the Jew. In whatever country Jews have settled in any great numbers, they have lowered its moral tone, depreciated its commercial integrity, have segregated themselves and have not been assimilated, have sneered at and tried to undermine the Christian religion upon which this Nation is founded. They have built up a state within a state, and have, when opposed, tried to strangle that country to death financially.

"If you do not exclude them from the United States in the Constitution, in less than 200 years they will have swarmed in in such great numbers that they will dominate and devour the land and change our form of government.

"If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish the substance while they will be in the counting house rubbing their hands. I warn you, Gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves. Jews, Gentlemen, are Asiatics; they will never be otherwise."

For years the original of the foregoing statement by Benjamin Franklin was in the Franklin Institute in Philadelphia. Scores of affidavits bear this out, but the Jews could no longer stand the truth of it and had it taken out. Just how true were Benjamin Franklin's words? Let us see: The Jews have been driven out of almost every country in Europe. What is all this about? Is it all for nothing? Impossible! The Jews were driven out of almost every country in Europe because of their plots to grab all in every country for themselves, and to eventually take that country over, just as their conspiracy is for world conquest, and communism is their principle weapon to attain that end.

Records show that at least ninety percent of all Jews are Communists. The late Rabbi Stephen S. Wise of New York said: *"Some call it Communism but I call it Judaism."* Jews boast in their own literature that they can bring about revolutions and create wars. After reading the *Protocols of Zion* (Jewish plans for world conquest) Henry Ford said: *"Corral fifty of the world's wealthiest Jews and there will be no more wars."*

Fathers and mothers of America, are you going to sit idly by and see the Jewnited Nations make laws for Americans to live up to? **AMERICANS AWAKE, BECOME ORGANIZED, AND SAVE YOUR COUNTRY BEFORE IT IS TOO LATE.**

Every red blooded American should consider it his or her duty to make copies of this sheet, pass along and mail to friends in other cities to arouse the people to the menace that is going on all around them, and of those who are the cause of it. Then rise up and rid the country of your enemy. You will get rid of the disease of Communism only when you get rid of the cause.

The following is an excerpt of a report delivered by the Netherlands Minister at Petrograd on the 6th of September, 1918, on the situation in Russia. The Netherlands Minister was acting for the British Ambassador and the report was presented to Parliament in London...

"The foregoing report will indicate the extremely critical nature of the present situation. The danger is now so great that I feel it my duty to call the attention of the British and all other Governments to the fact that if an end is not put to Bolshevism in Russia at once the civilisation of the world will be threatened. This is not an exaggeration, but a sober matter of fact; and the most unusual action of German and Austrian consuls-general, before referred to, in joining in protest of neutral legations appears to indicate that the danger is also being realised in German and Austrian quarters. I consider that the immediate suppression of Bolshevism is the greatest issue now before the world, not even excluding the war which is still raging, and unless, as above stated, Bolshevism is nipped in the bud immediately, it is bound to spread in one form or another over Europe and the whole world, as it is organised and worked by Jews who have no nationality, and whose one object is to destroy for their own ends the existing order of things. The only manner in which this danger could be averted would be collective action on the part of all Powers.

"I am also of opinion that no support whatever should be given to any other Socialistic party in Russia, least of all to social revolutionaries, whose policy it is at the moment to overthrow the Bolsheviks, but whose aims in reality are the same, viz., to establish proletariat rule through the world. Social revolutionaries will never fight any foreign Power, and any profession which they may now make in this sense is merely a tactical move in their struggle with the Bolsheviks."

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in November 26, 1957 issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958 issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party," reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt," announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that [redacted] of the NSRP, is the individual who "runs the NSRP."

On 5/20/64, in connection with another investigation, [REDACTED] acting manager of the publication "Common Sense" was interviewed in the office of the publication located at 530 Chestnut St., Union, N.J. [REDACTED] volunteered information about the publication. She explained that she has assumed the managerial position at the publication "Common Sense" as a result of the death of the editor and publisher CONDE MC GINLEY on 7/1/63. She said she is just assuming the position until someone with the proper background can take over. In the course of the conversation she stated that although she does rewrite on articles submitted she seldom writes articles of her own. She stated that most articles are furnished or submitted by persons using a pen name or sometimes their real name. If the opinion of the writer differs from that of the editorial policy of "Common Sense", she said she changes at or leaves it out. Usually the consent to do this is given by the author. She said she considers the number of subscribers to the publication to be a secret but admitted it was over 10,000 in all parts of the U. S. and the world.

b6
b7C

She claimed "Common Sense" was not anti-Catholic, anti-Negro, anti-Semitic but anti-Communist. She said that a good amount of Jews were Communist and "Common Sense" was against these Jews. She claimed that Presidents ROOSEVELT, EISENHOWER, TRUMAN, AND KENNEDY were Pro-Communist and claimed President KENNEDY was so inclined because he surrounded himself by Jews who really set the policy. She said that slightly before his death, he appeared to change but not too much so.

[REDACTED] stated "Common Sense" is Pro John Birch Society and stands behind most of his ideas. "Common Sense" believes in segregation and feels the Negro can only achieve status through education. She said that members of her staff were Catholic and Protestant and spoke of one or two Negroes and Jews who visited the publication and had the same ideas as that of the periodical. She claimed that a Negro who was successful would prefer to keep of his own kind. She maintained that the laws of nature dictate against inter-marriage and general mixing of the races. She referred to Rabbi J. PRINCE of Newark, N.J., who a few years ago sued CONDE MC GINLEY for libel and won.

She claimed that the trial was unfair and that the judge was prejudice and would not permit important evidence and witnesses to be used. She said that since the trial "Common Sense" has collected important evidence to indicate Rabbi PRINCE was Pro Communist in Germany before he came to the U.S. She said it was Rabbi PRINCE's aim to cause the end of the publication "Common Sense" but he failed to do this. Actually, Rabbi PRINCE collected little if anything of the \$30,000 reward because MC GINLEY did not have it. "Common Sense", she claimed, won a moral victory because it is still being published.

"Common Sense" stated that the only time "Common Sense" pays an author is when he continues an active investigation concerning an article to be published. She said she was associated with CONDE MC GINLEY for 17 years and since his death has been continuing his editorial policy as she knows he would want it written.

[redacted] spoke rather freely concerning the editorial policy of "Common Sense" and acknowledged that there were many people who disagreed with their views. The interviewing Agent at no time offered any opinions or views. This memo is being prepared for any value it might have in future investigation of the publication "Common Sense".

Re: Racial Situation - New York Division
Racial Matters

A source, who has furnished reliable information in the past and who is the author of a column on current events, which is published in many newspapers throughout the country, on July 22, 1964, furnished the following information:

The author, on July 21, 1964, received an anonymous call from what appeared to be a restrained and responsible woman, who stated that she was afraid to identify herself. The caller stated that Benjamin Freedman, a very rich anti-Semite associated with the magazine, "Common Sense", published in New Jersey, contributed financially to the Negroes who recently terrorized Orthodox Jews in Brooklyn.

The anonymous caller added that Freedman has boasted that he has contributed financially to promote anti-Semitism among Negroes in Harlem, New York, New York.

The anonymous caller gave no other information. The author had no other information relative to this matter.

A source, who has furnished reliable information in the past, on December 28, 1956, advised that Freedman had been associated with and supported "Common Sense". However, Freedman had an argument with the publisher of "Common Sense" and consequently had not recently (December, 1956) met with the publisher. This source added that most people regard Freedman as a man with a disordered mind.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Racial Situation - New York Division

The statement of ownership appearing in the November 1, 1956 issue of "Common Sense" indicated that it was published by the Christian Educational Association, 530 Chestnut Street, Union, New Jersey.

The "Newark Evening News", Newark, New Jersey, April 15, 1955, reported that the Editor of "Common Sense" had been sued because the magazine described an individual as a "Red Rabbi, who not unlike Albert Einstein, was expelled from Germany for revolutionary, Communist activities". A verdict of \$30,000 was awarded to the plaintiff in the case.

On 12/8/64, the Las Vegas Office received material which had been sent to a student at the University of Nevada at Reno, Nevada. This material was furnished to the FBI for whatever action deemed advisable.

The University of Nevada student received the material through the mail in a plain envelope postmarked November 28, 1964, New York 1, New York, 10A. No return address is contained on the envelope.

The material contained in the envelope is as follows:

1. A one page circular type publication of the Christian Educational Association, Union, New Jersey. The circular is in the form of a cartoon strip showing a white mother who sees nothing wrong with integrated schools and leads through a series of cartoons showing the results of a mixed marriage and admonishing the reader to wake up for their country's sake. This material bears the following: Christian Educational Assn., Union, New Jersey, Form Number 118, 1¢ each.

"Experts" To Dole Out Compulsory "Cures"

(Republished from Don Bell Reports,
Box 2223, Palm Beach, Fla.)

In Washington, I have observed at first-hand some of these mind-changing, news-managing pressures. These are the result of carefully planned and timed operations. Take the case of the administration-inspired resolution introduced this month by Sen. Warren Magnuson (D-Wash.) calling on the President to set up a 15-member Council for Expanded Trade with the Soviet bloc. This maneuver was designed to give the impression that the administration was being urged to make a policy change.

In propaganda circles this is known as a "grey operation." It is called a "black operation" when a source induces an enemy outlet to propagandize its message. It is called a "grey operation" when it induces a friendly source to do so. The

to which President Johnson's anti-crime program is directed. There are aspects of that program that may seem to many, as they seem to this columnist, to give too much credit to an old fallacy. This fallacy sees crime and violence as largely the product simply of poverty and so on and hardly ever as the product of the human reality that there is some evil in all men and in some men an incurable evil that will never yield itself to reformist notions like better housing.

Above Politics

Nevertheless, the central philosophy of the program is one to engage the best thought and best exertions of all who wish to preserve our surviving traditions. There is nothing here of partisanship, nothing that is Democratic, nothing that is Republican. This is an immense and fateful national issue hardly less momentous than

THE MARK OF THE BEAST

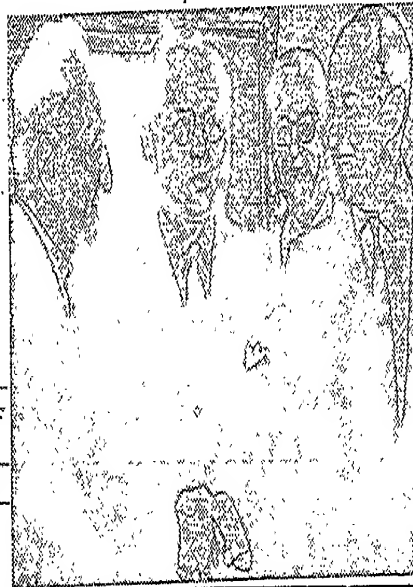

By Dr. T. J. Toma, B.S., D.D.S.

On Tuesday, Nov. 27, 1962 there appeared in the Los Angeles Herald-Examiner on page 14 a picture of four men, smiling, happy and well satisfied with themselves. Mark these men well. They have just succeeded in installing International Communism and Political Zionism permanently in the Western Hemisphere. They have placed Cuba and its people under the iron heel of Communist Castro and guaranteed its existence as a Communist nation.

These men profess to represent the people of the entire world. They operate within the framework of the United Nations Organization. They have been placed above all sovereign governments and have never been subjected to the restraining voice and vote of the citizens of these governments. In all cases where the people have had an opportunity to express their judgement by secret ballot they have been rejected. These men represent Eastern European Communism, Atheistic Asia, Black-Africa, and the nations of the Christian Western World.

In that order they are: Anastas Mikoyan, number two representative of Eastern Communism and its master, Political Zionism. He has just returned from spending 24 days with Castro and has now completed the work of placing the people of Cuba in bondage to Atheistic Communism. He is one of the most sinister characters in the world today. Of Khazar-Mongol extraction his is a program of destruction against Christian Western culture.

U. Thant, acting Secretary-General of the United Nations and representative of Asia, Communist appeaser and agent of Asiatic Political Zionism. Spawned in the mass of Asiatic millions he rose to power in the United Nations Organization through the

shadow boxer and window dressing for his masters, the political Zionists, who seek to dominate all mankind for their own benefit. A political failure, he seeks the spotlight of world affairs to satisfy his own ego. Given future tenure of office in this appointive position, he will destroy our Constitutional, Christian Republic.

These then are the four men who appear upon this photo. They are the front personalities who have been appointed to deprive the citizens of the Christian Republic of the United States of their sovereign rights. They bear upon their brow the mark of Moscow. Given their way, they will take away from the American Citizens their power of the sword and their power of the purse and all that that power implies and signifies. Theirs is a program of destruction. They must destroy the Western Christian Nations in order that Communism and Zionism may enslave the world. These men are your enemies. They represent a one-world, super government, diametrically opposed to the principles of American freedom, its Constitution and its

eyes of hatred, on the Christian people of the western world.

Dr. Ralph Bunche, Negro, appointed envoy to Africa, member of many Communist-front organizations, once editor of a Communist-front publication and subservient agent of internationalism. With the tenacity of a termite he has pitted his fellow Negroes, one against the other, for the benefit of Communism and Zionism. As Under-Secretary of the United Nations he has destroyed the Christian Negro leadership of Katanga, and has made the Congo another Cuba. Given his way he will work his will upon his own people, in the same way in the Republic of the United States. His job is to destroy the Christian American Negro and place him under the atheistic rule of Zionism. An insidious character, his record smells foul to an honest American nose. A Judas Goat he seeks to lead the American sheep into the Communist fold.

Adlai Stevenson, U. S. Envoy to the United Nations. Twice rejected by the American citizens in national elections, spurned by his own political party at its last national convention, he has nevertheless been appointed to this high office by the present administration. Adlai Stevenson was projected into the national limelight and became the darling of left-wing and Communist-Front organizations, when he appeared as a character witness for Alger Hiss, convicted liar and perjurer, and considered, by many people, this nation's number one traitor. The impact of Stevenson and his ilk upon our foreign affairs has resulted in the destruction of the Monroe Doctrine, the emasculation of our sovereignty, and the deterioration of our security. Stevenson, a weak character, is completely dominated by the internationalists. He was, as late as Jan. 4, 1963, characterized by one of this nation's great editorial writers, as "A faker of the purest persuasion." He is, in other words, a

criminal conspiracy based on fraud, dishonesty and deceit.

The facts that now confront us are plain to be seen. We are to all intents and purposes a nation overthrown. We are a people in bondage. We are in the hands of our enemies. They have almost destroyed our Republic as we have known it. The Constitution of this Republic and its written laws are being by-passed and to a large extent superseded by a one-world government whose existence was brought into being by International Communism and Political Zionism under their front man, Alger Hiss, who was its first Secretary-General. The continuation of this United Nations, with its appointive officials, will destroy our Republic. To place your political and governmental affairs in the hands of this organization will result in the fulfillment of that dream which Alger Hiss, liar, perjurer and traitor, with his fellow conspirators, brought to fruition at Dumbarton Oaks and San Francisco in 1945.

The twin evils of the twentieth century, International Communism and Political Zionism, by stealth and insidious encroachments seek to destroy you from within. They have almost accomplished their objectives. Morally, they have already made you bribe givers to communist blackmailers.

The time has come for American Citizens to rise in their wrath and nullify the activities of this destructive organization. Like John the Baptist we must put our axe to the root of this evil. If the present administration continues to tolerate the United Nations with its attempted destruction of our Republic, it will have to face the ire of an outraged citizenry. And the wrath of a God fearing, Christian, free and mighty people, against tyrants and traitors can be terrible and swift. The destiny of this Republic hangs in the balance. The time for action is now. Let us therefore attend to the business of preserving our Christian Republic for the benefit of our posterity.

And yourself with fearlessness and intrepid courage. Then, if to be a Christian patriotic American causes you to be stigmatized by the name "antisemite," be justly proud of this title which is not a term of odium but has now become the trade mark of fearless Christian American Patriotism opposed to Communist Internationalism.

If you can ignore the aspersions cast upon your character, your reputation in the columns of a controlled Press, if you calmly defy the Whispering drives started against you, if you can withstand persecution, smear, false accusations, even jail and torture such as the 33 Christian Patriots had to endure in the "SEDITION Case" of 1942 because they were accused of antisemitism, then be proud of being also called antisemites. This term applied to you is evidence that you are working loyally and faithfully in the service of your Christian Faith and Country.

Philip Francis, for years an editorial writer of great influence in America, and who had had for forty years an intimate connection with journalism, writes: "With a few honourable exceptions, the big papers and magazines of the United States are the most ignorant and gullible, as well as the most cowardly and controlled Press, printed in any Country in the world. The majority of the owners are mere financiers, who look upon their magazines and newspapers simply as money-making mills, and who, whenever it is a question between more coin and good, honest, patriotic, public service, will take the coin every time. (THE POISON IN AMERICA'S CUP, p. 31)."

Planting the Germ

When Hubert Horatio Humphrey takes every possible public occasion to reiterate that "A federal police is something we do not want," then it becomes apparent to the Washington-wise that a federal police is the thing we are going to get. When high officials protest too much, watch out. Woodrow Wilson insisted that we would never get entangled in World War I; FDR was repulsed by the idea of sending American boys to Europe; Winston Churchill protested the very thought of dismemberment of the British Empire.

Nobody wants a national police force. That's why we're hearing so much about it these days. The idea of its inevitability must be planted in the minds of the people.

William S. White is a journalist used often for the planting of ideas. A recent article written by this gentleman illustrates the method of planting. We quote the entire article:

* * *

National Police Ominous Threat

Washington—A great and ominous cloud is gathering over one of the deepest rights of our tradition—the right to keep the basic police power close to home and closely in control of the home people.

Where does the bell toll for this, the most venerable and the most irreplaceable touchstone of the liberties of free men?

It tolls in the increasing ineffectuality of local law enforcement against ordinary crime in so much of the nation at large. And it tolls in the terrible stain of mindless police brutality against minorities, and "out" groups generally, as illustrated most recently, most notably and most tragically in Selma, Ala.

Oh, What A Tangled Web We Weave,
When First We Practice To Deceive.

—Scott

Unless the criminal law can be vindicated soon against the switch-blade and rapist set in the North, and unless reason and restraint can be brought to bear against the bloody-minded and bull-whip sort of cop seen here and there in the South, we are eventually going to have an all-powerful national police system in this country.

No nation on earth, except perhaps in one or two instances in continental Europe, has raised up such an all-powerful system without inviting tyranny in at the back door. In the jack-booted torturers of the SS and Gestapo of Nazi Germany, and in the grim varieties of pistol-whipping thought-controllers in the Communist countries, that system is raised to its apogee of evil. But even in its less vicious manifestations, personal liberty as we know it has rarely survived intact.

All the same, an insistent demand for order at almost any cost is rising from Northern urban communities where women and children—and men, too—can no longer go safely about their lawful concerns.

And all the same, an insistent demand for an end to police violence in the South at almost any cost is rising from the conscience of decent people of both North and South. Soon the vastly important qualifying phrase "... at almost any cost" may be heard no more. And then will fall into the lifeless dust the most wise and civilized concept of man's proper relation to the public authority—the concept of local enforcement locally restrained or locally spurred, as need may be—that a thousand years of experience has brought to humankind.

It is to this, the increasing peril to certain state and local rights which are much older than this country in their principles,

foreign assaults.

The unique necessity here is to defend justice alike from those—not excluding, sometimes, some of our courts—who habitually take an overly compassionate attitude toward criminals and those to whom police violence is entirely right and proper, so long as it is practiced upon some other poor devil.

For the grand and final objective here is infinitely more than returning order to the cities and fairness to minorities who may wish to walk in protest. It is the preservation of the profound and precious amalgam of liberty-under-order, and in just that order of value—that is, liberty first, but order following not far behind.

The Conspiratorial Strategy

Whatever the Plan, the same formula always seems to work, and it always seems that the Plan has been put into operation because of the demands of the people (consensus). It goes like this:

1. Prepare the Plan;
2. Create an emergency demanding solution;
3. Present the Plan as the only solution, using the "grey operation," "black operation," "white operation," or a combination of them to propagandize, agitate, educate and popularize the Plan (see Edith Kermit Roosevelt's statement prefacing this letter). Finally, the "consensus" demands adoption of the Plan;
4. The pre-written Plan is made the "law of the land" by demand of the consensus.

In the particular case under study, the Plan was a National Police Force; a concept so drastic and inhuman (to say nothing of anti-Christian and anti-American aspects of the Plan), that an actual "social

SUBJECT: Report relative to one, a, Mr. MILENKO STEVIC, age 45 of Bklyn., N.Y., address unknown, who was investigated for allegedly sending a piece of mail to the Office of the Commissioner of Passaic, N.J., at Passaic Police Headquarters in Passaic, N.J., dated May 23rd., 1966.

Relative to the above mentioned subject we wish to report that we were assigned to conduct an investigation by the Chief of Police, John F. Campbell, after he learned from Commissioner [REDACTED] that an envelope addressed to his office was received on May 23rd., 1966. Said piece of mail contained a newspaper, on which numerous references were made towards one, a, [REDACTED]

Said newspaper headed "COMMON SENSE", Leader in the nations fight against Communism, had all references written about [REDACTED] on each side and on the top and bottom of each page. [REDACTED] was accused of being engaged in all types of criminal activity. This newspaper will be found attached to this report and is self explanatory.

The envelope containing the newspaper was postmarked May 23rd., 1966, and was mailed from HARRISON, N.J.

On May 24th., 1966, the writers went to 500 Oak St., Passaic, N.J. and attempted to interview [REDACTED]. He was not home. His wife informed us that he was at work at [REDACTED]

[REDACTED] She stated that he is employed on the 8AM to 5PM shift, and usually arrives home in Passaic at about 5:30 P.M. [REDACTED] was advised to inform her husband to be present in the Passaic Detective Bureau on May 26th., 1966.

We interviewed [REDACTED] at 5:30 P.M., May 26th., 1966. He stated that he was a resident of [REDACTED] since 1954, coming to [REDACTED] from [REDACTED] where he was a resident prior to his arrival in this City from 1954 until 1961. Before living in [REDACTED] was abroad living in IRELAND. He is married to a woman from the Phillipine Islands, and is a father of 2 children, one a boy and the other a girl.

He was interviewed relative to his relations with any neighbors, co-workers etc., and was asked if he had any arguments with same, but he replied that his relations were friendly with all. He was subsequently questioned about the newspaper that was received by the office of the chief. And was shown this piece of mail or newspaper. Immediately upon seeing the writing on the newspaper, [REDACTED] exclaimed that a Mr. MILENKO STEVIC, age 45 of Greenwich Village, address unknown, N.Y., was the person who printed up all accusations against him. The reason that [REDACTED] suspected STEVIC was that he always underlined his work at the CHARLES F. GUYON CO., (Both work together).

SUBJECT: RE: MILENKO STEVIC -- Continued

Page 2

The following information was given by [redacted] relative to the subject :

Has been an employee of the [redacted] since December 1965. At the firm he is listed as a [redacted] Before coming to the company Mr. STEVIC was employed at the CRANE CO., in CHICAGO, ILL. Prior to he was employed at the TUBCO CO., in BROOKLYN, N.Y.

Mr. STEVIC is very slender, and has a stiff right leg, which causes him to walk with a limp. he has black hair, streaked with grey hair and has a receding forehead. Slim build, about 5' 4" Tall, and weighs about 110 lbs. The subject is a VEGETARIAN and usually wears a TRILBY hat or a BERET.

Other information obtained was that the subject was born in YUGO-SLAVIA. During the second world war he was interred in a concentration camp in GERMANY. After the war he migrated to AMERICA and has been living in this country for approximately 20 years.

Mr. STEVIC appears to be a strange man who [redacted] described as being "KOOKY". He continually speaks of the planets specifically MARS & VENUS. Many times he talks about the President of the U.S. LYNDON JOHNSON. At other times he talks of the U.S. Government and society in general. Criticism is also leveled at anyone of the Jewish faith, who is in a position of authority. Mr. STEVIC also broods while at work, and accuses all co-workers, including his employer of being against him (Persecution Complex). Public relations with his co-workers is BAD.

While at the detective bureau, [redacted] produced a sample of a Mr. STEVIC'S work, with several numerals being underlined. This sample was kept by the writers, and can be found attached. Same is self-explanatory.

[redacted] also informed us that while at work he is the only person who appears to get along with Mr. STEVIC. While talking to him on occasion he saw similar papers in the desk drawer of Mr. STEVIC. Namely the "Common Sense Newspaper". Other newspapers that he saw on the desk or in the drawer of Mr. STEVIC'S were the MOHAMMED ALI Newspaper and the POLICE GAZETTE. [redacted] told us that when he saw the printed material on the newspaper we had shown him, he immediately reconciled it with Mr. STEVIC, because the man always underlined things at the shop.

After we concluded our interview with [redacted] he was advised to keep this matter confidential and should we need him he would be contacted.

My husband and I feel your office should read the contents of the enclosed envelope which we received through the mail. The material is so anti-semetic that we find it hard to believe that the so-called Christian Educational Assn. is the true name of the organization which prints such fanatical leaflets.

We have no idea how we came to be on such a mailing list.

The Christian Educational Association of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense", a tabloid size newspaper published twice monthly except once each during July and August. On August 6, 1965, [redacted] advised that she has been acting manager of "Common Sense" since the death of the editor, Conde Mc Ginley, on July 1, 1963. On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Hate Groups" which discussed their growth and objectives at length. This report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the Committee".

According to the report, "Common Sense" depicts communism as Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi government in Germany is also shown in the paper.

Benjamin Franklin and the Jews

"In whatever country Jews have settled in any great numbers, they have lowered its moral tone, depreciated its commercial integrity, have segregated themselves and have not been assimilated, have sneered at and tried to undermine the Christian religion, have built up a state within a state, and have, when opposed, tried to strangle that country to death financially.

"If you do not exclude them from the United States in the Constitution, in less than 200 years they will have swarmed in in such great numbers that they will dominate and devour the land and change our form of government.

"If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish the substance while they will be in the counting house rubbing their hands. I warn you, gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves. Jews, gentlemen, are Asiatics; they will never be otherwise."

The above is taken from an address delivered by Benjamin Franklin before the Constitutional Convention in Philadelphia in 1787.

JEW RELIGION EXPOSED

FROM THE "TALMUD" WHICH IS THE JEWISH HOLY BOOK, TAUGHT BY THE RABBIS IN THE SYNAGOGUES, WE FIND THAT JESUS IS REFERRED TO AS:

an Am-haaretz, or ignorant clod, a fool, liar,

deceiver, the bastard son of a harlot, who set up His churches as whorehouses with harlots inside to get male customers drunk until they disrobe and worship the "IDOL" Jesus as in Baal sex-worship. TODAY He is given FIVE deaths wherever "Judaism" is taught: He is sunken in "dung to the armpits" and strangled; sunken in "dung to the armpits" and boiling lead poured down His pried-open mouth to burn the intestines; He is decapitated; He is stoned to death; He is crucified as a "blasphemer" of this religion of Pharisaism. Christians rank far below prostitutes, with whom they are standardly compared. All are consigned to hell where "boiling excrement" is their punishment and "boiling semen" is Christ's. Mocking the Bible is no sin but mocking the Talmud "Sages" is the crime of crimes for which the above punishments are given. The "Sages" reverse every Biblical teaching. One may curse parents and beat them to the point of drawing blood when alive, but the sky is the limit when they are dead; a grown man may always rape or commit sodomy with a baby girl under three years old and may commit sodomy with little boys under "nine years and one day" and with a "terefah" (chronically sick person), a dead body or with a neighbor's wife. The basic doctrine of Pharisaic Judaism is that all non-Talmudists rank as non-humans, "the people that are like an ass—slaves who are considered the property of the master" (the human being or Talmudist). The non-Talmudist has no rights under any legal code whatsoever. The "Lord" will never forgive anyone who returns a lost article to a non-Talmudist UNLESS not returning it will jeopardize Jewry in general and expose the Jewish religion for the code of anti-human criminality that it is—THEN it is a crime not to return it. To try to kill a non-Jew is so meritorious that if in the effort to do this a Jew is killed, there is no penalty.

If a woman's lightest sin be that incestuous relations with an older son resulted in a younger son, her heaviest sin must then be "minuth" or Christianity. Even talking to a Christian is likened by the "Sages" to visiting a harlot's house. Murder, robbery, rape, deception of non-Jews, rank only as the meritorious acts of a human being who owns the chickens, cows and asses of creation for his own use. Every Talmudic authority boasts that Marxism was invented and has been led by "them which say they are Jews."

COMMUNISM-SOCIALISM is only the Talmudic code in action. It is sadistically ANTI-CHRIST, anti-human, filthy and SATANIC. It is no accident that all Jewish authorities today state that the Jewish religion as it is today springs in an unbroken line thru all the centuries from the PHARISEES. Nor is it any accident that the Divine Savior warned in the flesh and from the Spirit that the Pharisees were of the Devil (John 8:37-44; Luke 11; Matt. 23; Rev. 2:9;3:9) saying "I know the blasphemy of them which say they are Jews and are not but do lie and are of the synagogue of Satan" (Rev. 2:9;3:9).

But, today, as in the time of Christ, hatred of Him also inspires the buying up of Judases to betray Him:

"Woe unto you, scribes and Pharisees, hypocrites! for ye compass land and sea to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves" (Matt. 23:15).

The pagan Pharisees, whose Babylonian Talmud TODAY

permits burning children to Molech, did not gain mastery over Judaism until the Sadducees, sticklers for Scripture and against Pharisaic "Tradition" which nullifies the Bible; were overwhelmed after the Bible, believing Jews accepted Christ and left the synagogue. Pharisees then took over and completely remodeled "Judaism" on abominator lines. (Matt. 23:31).

JEWS ADMIT IT WAS A JEWS WAR!

The Jews themselves make no secret of the fact that the recent war was a Jewish one in its entirety. Consider these statements by Jews on it. The Jew Scholem Asch in a pep talk to French troops in the line, (written in the French newspaper Les Nouvelles Littéraires of February 10th, 1940), says, "This is our war, and you are fighting it out for all of us. Even if we Jews are not bodily with you in the trenches, we are nevertheless morally with you."

The Rabbi Reichhorn wrote on July 1st, 1880, in the periodical Le Contemporain, "We shall drive the Christians into wars by exploiting their national vanity and stupidity. They will then massacre each other, thus giving room for our own people."

The Jew Marcus Eli Ravage wrote in the periodical The Century Magazine of January, 1928, "We have stood at the back of, not only the last war, but all your wars; and not only the Russian, but of all your revolutions worthy of mention in your history."

The Jew Valadimir Jabotinsky, leading Zionist, wrote in his book "Die Fudische Kriegsfront, 1940: "When the National Socialists and their friends cry or whisper that this is brought about by the Jews, they are perfectly right."

The Jewish magazine The Sentinel of Chicago wrote in its issue of October 8th, 1942 as follows: "The second World War is being fought for the defense of the fundamentals of Judaism."

FROM THE PROTOCOLS OF THE LEARNED ELDERS OF ZION (JEW CONSPIRACY FOR WORLD CONQUEST)

It is indispensable for our purpose that wars, so far as possible, should not result in territorial gains; war will thus be brought on to the economic ground, where the nations will not fail to perceive in the assistance we give the strength of our predominance, and this state of things will put both sides at the mercy of our international agentur: (agents and agencies made use of by the Jews) which possesses millions of eyes ever on the wealth and unhampered by any limitations whatsoever. Our international rights will then wipe out national rights, in the proper sense of right, and will rule the nations precisely as the civil law of States rule the relations of their subjects among themselves.—(Protocol No. 2).

Non-Jew, this is the truth that will make you free and can be proven in any OPEN American court. Copy it, scatter it! Organize, secretly, now, to beat these "Children of the Devil," at their own game. Fear not, God is with you in the spirit of our Lord Jesus, a Judean, but not a Jew. Your legal authority is in the 10th article of your country's constitution.

JEWS AND YOU

JEWS RULE THE WORLD IN SECRET. THIS IS THEIR YEAR 5716. BERNARD M. BARUCH IS THE PRESENT JEW KING. THEY REFER TO ALL NON-JEWS AS CATTLE (GOYIM). FOLLOWING ARE EXCERPTS FROM THE "TALMUD," JEW HOLY BOOK, EQUIVALENT TO OUR BIBLE, TAUGHT FROM BY THE RABBIS IN THE SYNAGOGUES.

"YOU ARE HUMAN BEINGS, BUT THE NATIONS OF THE WORLD ARE NOT HUMAN BEINGS BUT BEASTS."
—Baba Meia 114, 6.

"ON THE HOUSE OF THE GOY (NON-JEW) ONE LOOKS AS ON THE FOLD OF CATTLE."—Tosefta Erubin VII, 1.

Gems From The Talmud

"Marriages taking place among Gentiles have no binding strength, i. e., their cohabitation is just as the coupling of horses, therefore their children do not stand as humanly related to their parents." (Law 88).

"MEDINA IVRIT" (The Jewish State). Prague, No. 33, Sept. 27, 1935:

"In our hearts reigns but one sentiment. We command our hearts to banish all other emotions and to let themselves be led by that unique sentiment: that of revenge. Our people have now but one desire: TO DESTROY, RANSACK, BOYCOTT!"

KILL: In a 1931 booklet by Abraham L. Reiskind of New York, entitled "My Conception of God," the Jewish author admits: "There is a passage in the Talmud which is exceedingly bitter against the Gentiles, namely: 'The BEST of the Gentiles—KILL.'"

"A thing lost by a goy may not only be kept by the man who found it, but it is even forbidden to give it back to him."—Szulchan Aruch, Choszen Hamispat, 266, 1.

"The robbing of a Gentile is allowed as they are not our brothers" (Baba mezia 61).

"Should a Jew inform the goyish authorities that another Jew has much money, and the other will suffer a loss through it, he must give him remuneration."—Sz., Ar., Ch. Ha., 388.

"If there is no doubt that someone has thrice betrayed the Jews or caused their money to pass to the goys, a means and wise council must be found to do away with him."—The same.

"Although it is not a direct obligation for a Jew to kill a Gentile with whom he lives in peace, yet, in no case, is he allowed to save a Gentile's life." (Law 50).

Klatzkin, Jew, Zionist leader in Der Jude, 1916: "Only the Jewish Code rules our life. Whenever other laws are forced upon us, we regard them as dire oppression and constantly dodge them. We form in ourselves a closed juridical and business corporation. A strong wall built by us separates us from the peoples of the land in which we live—and behind that wall is a Jewish State."

THE COMPLETE EXPOSURE OF THE JEW

WHY JEWS ARE PERSECUTED FOR THEIR RELIGION:

"A Jew is permitted to rape, cheat, and perjure himself; but he must take care that he is not found out, so that Israel may not suffer."—Schul. Aruch, Jore D.

"If a goy kills a goy or a Jew he is responsible; but if a Jew kills a goy he is NOT responsible."—Tosefta, Aboda Zara 8:5.

"It is permitted to kill a Jewish denunciator everywhere. It is permitted to kill him even before he has denounced."—Schulchan Aruch, Choszen Hamispat, 338.

"A Jewish mid-wife is not only permitted, but she is compelled to help a Jewish mother on Saturday (Jewish Sabbath) and when so doing to do anything which otherwise would desecrate the Saturday. But is forbidden to help a non-Jewish woman even if it should be possible to help her without desecrating the Saturday, because she is to be considered only as an animal."—Schul. Aruch, Orach Chaim, 539.

"A Jew may misuse the non-Jewess in her state of unbelief."—Maimonides, Jak. Chasaka 2:2.

"A Jew may violate but not marry a non-Jewish girl."—Gad. Shas. 2:2.

"A Gentile girl who is three years old can be violated."—Aboda Shara 37a.

"A Jew may do to a non-Jewess what he can do. He may treat her as he treats a piece of meat."—Nadarine, 20, B; Schulchan Aruch, Choszen Hamispat 348.

Who and what is in a position to overthrow an invisible force? And this is precisely what our force is. GENTILE masonry, blindly serves as a screen for us and our objects, but the plan of action of our force, even its very abiding-place, remains for the whole people an unknown mystery.—(Protocol No. 4).

To complete the ruin of the industry of the GOYIM we shall bring to the assistance of speculation the luxury which we have developed among the GOYIM, that GREEDY DEMAND FOR LUXURY which is swallowing up everything. We shall raise the rate of wages which, however, will not bring any advantage to workers, for, at the same time, we shall produce a rise in prices of the first necessities of life, alleging that it arises from the decline of agriculture and cattle-breeding: We shall further undermine artfully and deeply sources of production, by accustoming the workers to anarchy and to drunkenness and side by side therewith taking all measure to extirpate from the face of the earth all the educated forces of the GOYIM.—(Protocol 6).

We will not give them peace until they openly acknowledge our international Super-Government, and with submissiveness.—(Protocol No. 9). (i.e., U.N.).

We have fooled, bemused and corrupted the youth of the goyim by rearing them in principles and theories which are known to us to be false, although it is by us that they have been inculcated.—(Protocol No. 9).

In countries known as progressive and enlightened we have created a senseless, filthy, abominable literature.—(Prot. 15)

Economic crises have been produced by us for the GOYIM by no other means than the WITHDRAWAL OF MONEY FROM CIRCULATION. . . . You are aware that the gold standard has been the ruin of the States which adopted it, for it has not been able to satisfy the demands for money, the more so that we have removed gold from circulation as far as possible.—(Protocol No. 20).

All that is necessary for the triumph of evil is that good men do nothing.—Edmund Burke.

BE INFORMED . . . SPREAD THE TRUTH

COMMUNISM is rapidly enveloping the entire world, unhampered by the forces of Christianity and the efforts of Christian leadership. Why?

Why are the American people ignorant when it comes to the one movement which will ultimately destroy them and their families?

The answer to these questions are obvious when the facts are known regarding the control of the press, radio, television and other means of communication.

The American people are being prevented from knowing what atheistic communism is.

The TRUTH is not allowed to be uttered over radio, television or printed in the press.

Good American authors work hard writing books and then find it difficult or impossible to have them published. The following is a list of some of the finest works available.

Inform yourself while there is still time. Equip yourself with the knowledge which may eventually save not only your country, but also your life.

THE MOST ASTONISHING BOOK ON THE WORLD CONSPIRACY

COMPLETELY DOCUMENTED
AND INDEXED

— A Great Book For Patriots —

This book traces fanatical religious concepts through two thousand years of history to the present.

This commentary never varies from the original idea of world control which was discovered in the archives of ancient civilization 2500 years ago.

The fervor which the Jewish "Chosen People" have held in carrying out a consistent program towards world domination has had many disastrous results. The tenacity with which they have clung to the idea of universal domination over all peoples of the earth has led to blood-letting of ghastly proportions of their own kind as well as of the gentile races.

This book recites in meticulous detail events covering twenty centuries that lead directly into the corridors of the United Nations today.

The contents may be challenged but never refuted.

"FACTS are FACTS"

By Benjamin H. Freedman

An enlightening, thoroughly documented account of the origin of the modern, "self-styled" Jews. Using excerpts from The TALMUD and other Jewish sources, Mr. Freedman, a former Jew and one of the world's foremost authorities on the subject, presents his data in a convincing and comprehensive manner. This book gives a better understanding of the background, origin and reason for subversive movements.

Prof. John Beaty

The author of **THE IRON CURTAIN OVER AMERICA** has written, or collaborated on, more than a dozen books. More than 300 thousand have been sold. **THE IRON CURTAIN OVER AMERICA**, now in its 16th printing, was written after more than five years of active duty in the Military Intelligence Service of the War Department General Staff.

The Iron Curtain Over America

Despite powerful and continuous pressures, this widely acclaimed book is still in print. Its complete documentation and its index of some 4,000 entries have made it the accepted text and reference work for those who wish facts about forces which have influenced the policies of our last four Presidents in the vitally important fields of IMMIGRATION, ATOMIC ENERGY, FOREIGN AFFAIRS and the FEDERAL JUDICIARY.

ABOUT THE AUTHOR

Kenneth Goff served on the National Committee of the Young Communist League and on the National Board of the American Youth Congress. He also was a member of the Wisconsin State Board of the Communist Party. Mr. Goff resigned from the Communist Party and voluntarily appeared before the Dies Committee in Washington, D.C., with vital documents showing the conspiratorial aims, purposes and methods of the Party in this country. He used a number instead of a name. He worked with Red plotters from New York and Hollywood. While a communist he was invited by Mrs. Eleanor Roosevelt to be a guest at the White House.

PROTOCOLS of the Learned Elders of ZION

Translated from the Russian of Prof. Nilus by Victor E. Marsden formerly Russian correspondent to "The Morning Post," London, England.

The PROTOCOLS outline a course of action—step by step plan—the culmination of which is the enslavement of all Christians. Most of the objectives set down in the PROTOCOLS have been attained!

The reader will easily discover how the creation of wars and revolutions, the utilization of communications, money and politics fall into a predetermined scheme.

No thinking Christian can afford to ignore this "PATTERN FOR DESTRUCTION" in connection with the present world situation.

The Talmud Unmasked

By Rev. I. B. Pranaitis

"Many people today are keenly interested to know what the Jewish Talmud really teaches about Christians, and for an accurate, authentic treatise on this subject, there is no need to go further than the scholarly work of the Rev. Father B. Pranaitis, an able Roman Catholic theologian and Hebraist, formerly on the staff of the Roman Catholic college of the Imperial Academy in old St. Petersburg. His work is in Hebrew and Latin and bears the imprimatur of his ecclesiastical superior.

This is an accurate translation of Father Pranaitis' Latin text, and it is felt that it will be appreciated by those who are interested to know what this great scholar wrote on this important subject from original Talmudic sources. Father Pranaitis was one of those "liquidated" by the Cheka during the Bolshevik revolution in Russia.

This work has been carefully translated and edited and will stand the test of scholarship, and therefore win the respect of the American people."

None Dare Call It Treason

By John A. Stormer

Treason doth never prosper, what's the reason? For if it prosper, none dare call it treason.

—Sir John Harrington, 1561-1612

NONE DARE CALL IT TREASON is a careful compilation of facts from hundreds of Congressional investigations of Communism and dozens of authoritative books on the communist-socialist conspiracy to enslave America. It dissects the failures of the Eisenhower Administration just as effectively as it details the blunders of Roosevelt, Truman, Kennedy and Johnson. It documents the concurrent decay in America's schools, churches, and press which has conditioned the American people to accept 20 years of retreat in the face of the communist enemy. You won't finish None Dare Call It Treason without concluding that America is in serious trouble.

Collectivism Challenges Christianity

By Verne P. Kaub

Here is antidote for poisonous doctrines of Marxism and atheism which are being spread from pulpit and university rostrum. False leaders are indoctrinating our young people with collectivist ideology, even invading church-sponsored conferences to carry on their evil propaganda. COLLECTIVISM CHALLENGES CHRISTIANITY, exposes and rebukes these callous frauds. It should be made available to all the young people of our Christian Churches—place it on the shelves of every school, college, and public library where now there are scores, even hundreds of books written by men who pretend that Marxism is 'practical Christianity.' —Rev. Howard E. Mather, D.D.

Political Assassination

Hermann Raschhofer, Political Assassination: The Legal Background of the Oberlaender and Stashinsky Cases. Published by Fritz Schlichtennmayer, Tuebingen, Germany, 1964; 231 pages.

Prof. Oberlaender's Case illustrates frighteningly how the Communists simply fabricate charges against any opponent important and brave enough to impede their satanic plots. It also shows that the Communists even in peacetime—or Cold War time—not only ruthlessly destroy by slander and calumny whom they fear, but engage in a worldwide network of strategic murder; sometimes openly, the way a Soviet-trained Oswald killed President Kennedy, more often secretly, by hydrocyanic acid so injected as to make the victim seem to have died of heart failure or suicide. That is how Bogdan Stashinski by Soviet order killed the Ukrainian political exile Stepan Bandera, and the Ukrainian author Leb Rebet.

This documented, scholarly book by a distinguished German writer enforces two conclusions: first, Communist charges of war crimes or other crimes against any anti-Communist may not without other corroboration be credited whatsoever; secondly, if any prominent anti-Communist dies, rather unexpectedly the probability of a Communist-executed murder must be entertained and investigated.

The Plot Against Christianity

By Elizabeth Dilling

It is impossible to understand present day world chaos without knowing the tradition of the Pharisees as it is being applied to enslave the people of the United States and the world in our time.

The tradition of the Pharisees teaches that only the Pharisees are truly human and that all other people are goyim (cattle, animals) and the slaves of the Pharisees, and that to murder, cheat, or lie to goyim is honorable.

When you know the tradition of the Pharisees you can see clearly the plot against Christianity with the total destruction of personal freedom and the annihilation of all who oppose slavery to the Pharisees.

There is no hatred like the hatred of the Pharisees for Christ and all Christians, and especially their hatred for those who dare to expose their deceitful tactics to destroy Christ and enslave all people.

Freedom's Frontier

By Edward L. Delaney

FREEDOM'S FRONTIER is the kind of book this country needs badly. Only a writer with first hand knowledge, a passion for truth and the ability to write forcefully, can undo the brainwashing the American public has been subjected to for the past several Red Decades. The Washington appeasement policy must be converted into constructive anti-communism. Soviet expansion must be checked, the Captive Nations must be liberated, the Iron Curtain must disappear in Europe, the Berlin Wall must come down and Castroism must expire in Cuba. Mr. Delaney's FREEDOM'S FRONTIER is a book-bomb promoting these liberations.

The following is a characterization of "Commonsense":

The statements of ownership appearing in the November 1, 1956 issue of "Commonsense" indicated that it was published by the Christian Educational Association, 530 Chestnut Street, Union, New Jersey.

The "Newark Evening News", Newark, New Jersey, April 15, 1955, reported that the editor of "Commonsense" had been sued because the magazine described an individual as a "red rabbi who, not unlike Albert Einstein, was expelled from Germany for revolutionary Communist activities". A verdict of \$30,000.00 was awarded to the plaintiff in the case.

ATTENTION ALL FIRST CHRISTIAN CHURCH MEMBERS

Are you the members of the First Christian Church pleased at the way [redacted] and the [redacted] invited the nigger bucks into the Halloween Party on your Wife and Daughters?

No, we do not believe that very many people up there approve of this type of goings on, and our feelings go out to you Mothers and your Children that this wicked tricked was played on. Isn't it true that one White Teenage Girl was very much embarrassed by one of the nigger bucks?

Why did [redacted] allow [redacted] and [redacted] to invite nigger males to the party; as the party was to be for the Mothers and young Children? We do not believe that there is a place here in Hammond for the so called [redacted] and his three intergrationist witches and their husbands, [redacted] and [redacted]. Let these people know your feelings.

These same type of people, along with the Niggers Mayor Sam Saik, were the ones that gave our Recreation Center to the Niggers. Do you all want your beautiful church also given to the niggers? No, we do not beleive that you do.

Now is the time for us to unite and remove this unwanted element from our mist. We must stand up and be counted now if we are ever to be.

WE THE CON CERENED WHITE PEOPLE OF THIS AREA ARE VERY MUCH BEHIND YOU AND YOUR PROBLEMS. OUR HELP WILL ALWAYS BE AVAILABLE WHENEVER IT IS NEEDED.

[redacted]
United Klans of America, Inc., Knights of the Ku Klux Klan (UKA, Inc., KKKK), Smithfield, Virginia, has not been observed at any recent rallies or closed meetings of the Klan in the last three to three and one-half months. It is believed that he is still a member of the Klan and still listed on the rolls of [redacted] of the Klan, [redacted] [redacted] as a member.

On June 21, 1967, [redacted] [redacted] stated he thought that [redacted] would not transfer his membership to the Franklin, Virginia, Unit or Klavern; however, [redacted] stated that [redacted] had walked out of the June 13, 1967, meeting of [redacted]. At that time, [redacted] was angry about some unknown matter. [redacted] stated, however, that [redacted] returned to the June 20, 1967, closed meeting of [redacted] and that was the reason he did not think [redacted] would transfer his membership.

At the May 31, 1967, Klan rally held in Suffolk, Virginia, [redacted] was observed selling boxes of matches for \$1 a box. The individual match covers on one side contained the printing, "Draft George Wallace For President," and on the other side contained the printing, "Save Our Land. United Klans of America, Inc. Join The Klan! State Office, P. O. Box 635 - South Hill, Virginia." Later at the rally, [redacted] was observed giving an undisclosed sum of money, believed to be \$80, to [redacted]. [redacted] requested [redacted] to send him some more of the matches, which he would sell.

At the May 31, 1967, Klan rally held in Suffolk, Virginia, [redacted] of the Virginia Klan, passed out tickets, which were invitations to attend the public Klan rally sponsored by Unit 31, Wilson, North Carolina, on June 10, 1967, at 7:00 PM, four miles west of Wilson on Highway 42.

At the May 31, 1967, rally at Suffolk, [redacted] [redacted] was selling chances on a .30 - .30 rifle with telescope sight, which raffle would be held on July 20, 1967. [redacted] stated that actually Klavern 41 of the Klan in Chesapeake was raffling off this rifle, although the tickets do not indicate same. The tickets do indicate

that they were printed through "courtesy of Graham Funeral Home, [redacted] The price was \$.50 a ticket.

At the June 11, 1967, public Klan rally held in Chesapeake, Virginia, copies of "The Voice of Tidewater" were available at the rally truck. [redacted] stated that that Klavern had published this mimeographed newsletter. It was dated June 11, 1967, and indicated that it was Volume I.

At the June 11, 1967, Klan rally, Chesapeake, [redacted] mentioned above, was passing out copies of "Common Sense" with possibly his hand printing on the top of it, which indicates "Read, subscribe to and pass it on."

At the June 14, 1967, closed meeting of Klavern 20 of the Klan in Portsmouth, Virginia, leaflets were distributed concerning the June 16, 1967, Klan rally at Concord, Virginia; the June 23, 1967, Klan rally at Powhatan, Virginia; and the June 24, 1967, Klan rally at Orange, Virginia. Also distributed at this meeting was a mimeographed form of the "Draft Wallace, if... Committee, 2015 Laburnum Avenue, S. W., Roanoke, Virginia."

At the June 11, 1967, Chesapeake Klan rally, [redacted] mentioned above, gave [redacted] a Klan robe for [redacted] also gave [redacted] mentioned above, a Klan robe for [redacted]

At the June 15, 1967, closed meeting of Klavern 101, Nansemond County, Virginia, raffle tickets were sold on an Elgin watch, the drawing to be on August 17, 1967. The ticket indicates that the raffle is being sponsored by the "Trinity Club of Suffolk, Virginia," which is the name used by Klavern 101.

On June 2, 1967, [redacted] "The Smithfield Times," a newspaper published in Smithfield, Virginia, stated that [redacted] of that newspaper, was irritated over receiving two Klan rally leaflets with postage due on both of them. [redacted] stated that it was her opinion that this was done because "The Smithfield Times" recently refused to accept a Klan advertisement for a rally being held in the Suffolk, Virginia, area.

I do not know who mailed this to me, nor how they got our name, but if the FBI does not already know about this literature being distributed, I think they should.

I am not Jewish, but even so, the contents is disgusting; it makes me feel sick to read it. Is there no way to stop this sort of thing? It would repel even my German relatives.

I hope you can do something to trace & stop the printing of this type of writing.

**CHRISTIAN EDUCATIONAL
ASSOCIATION**

The Christian Educational Association of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense", a tabloid size newspaper published twice monthly except once each during July and August. On August 6, 1965, [redacted] advised she has been acting manager of "Common Sense" since the death of the editor, Conde McGinley, on July 1, 1963. She stated she was associated with Conde McGinley for 17 years and since his death has been continuing his editorial policy.

b6
b7C

On May 5, 1967, [redacted] advised there has been no change in the above situation and that the paper still does not have an editor.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Hate Groups" which discussed their growth and objectives at length. This report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the committee".

According to the report, "Common Sense" depicts communism as Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi Government in Germany is also shown in the paper.

[redacted] who had his window smashed during the riot, received, on Thursday, July 18th, a copy of COMMON SENSE dated May 1, 1967. (A xerox copy is here attached.)

This periodical is published bi-monthly, at 530 Chestnut Street, Union, New Jersey by the Christian Educational Association. The envelope, which is not available, was said to be blank, no return address, with a Brooklyn postmark.

I have no further information that any of the other storekeepers have received copies of this paper. Should any other information, relating to this matter, come to my attention I will forward it to you.

Sincerely yours,

KOL NIDRE — A JEWISH PRAYER TO ABSOLVE ALL VOWS

WHY ARE JEWS DISLIKED BY NEGROES?

The Lord... our knowledge... and with the knowledge of this congregation, we give leave to pray with them that have transgressed.

The Reader says thrice:

All vows, bonds, devotions, promises, obligations, penalties and oaths: wherewith we have vowed, sworn, devoted and bound ourselves: from this Day of Atonement unto the next Day of Atonement, may it come unto us for good: lo, all these, we repent us in them. They shall be absolved, released, annulled, made void, and of none effect: they shall not be binding nor shall they have any power. Our vows shall not be vows: our bonds shall not be bonds: and our oaths shall not be oaths.

Reader and Congregation thrice:

And all the congregation of the children of Israel shall be forgiven: at the time: but sinners th among them:

The above is an actual photographic illustration of a London edition published under the authority of the late Chief Rabbi of the British Empire. It shows the criminal Kol

Nidre prayer, recited three times by every Jew in every synagogue in the world as the Day of Atonement (Yom Kippur) prayer that seeks for Jews divine exemption for perjury.

The Kol Nidre is a Jewish prayer named, from its opening words, "All vows" (kol-nidre). It is based on the declaration of the Talmud, Book of Nedarim, 23A-23B:

"He who wishes that his vows and oaths shall have no value, stand up at the beginning of the year and say: 'All vows which I shall make during the year shall be of no value.'"

It would be pleasant to be able to declare that this is merely one of the curiosities of the darkness which covers the Talmud, but the fact is that Kol Nidre is not only an ancient curiosity; it is also a modern practice. In the volume of revised Festival Prayers, published in 1919 by the Hebrew Publishing Company, New York, the prayer appears in its fullness:—

"All vows, obligations, oaths, or anathemas, pledges of all names, which we have vowed, sworn, devoted, or bound ourselves to, from this day of atonement, until the next day of atonement (whose arrival we hope for in happiness) we repent; beforehand, of them all, they shall all be deemed

absolved, forgiven, annulled, void and made of no effect; they shall not be binding, nor have any power; the vows shall not be reckoned vows, the obligations shall not be obligatory, nor the oaths considered as

ble to maintain with them.

Samuel Roth, in his book "Jews Must Live," boldly states:

"Certainly no other religion in the world has offered the world a spectacle as contradictory, as malicious, as full of the spirit of unreasonableness as the Jewish recital of the prayer KOL NIDRE during YOM KIPPUR."

"No matter what business he may undertake to promote with his neighbor, be it material or moral, he wants the Lord to understand in advance that there will be one implicit condition (a condition, however, he does not undertake to explain before entering into an argument): the execution of it must be favorable to Him, the Lord God, or it will be considered by the Jew void, of no account, utterly useless, as if it had never been mentioned, as if nothing relating to it had ever been negotiated".

"The Jew denies by his recital of Kol Nidre, even before he undertakes it, any possible responsibility in crime. Can it be doubted what a fearful influence for evil this must exert on his character as a citizen and as a human being:

NEGRO "ANTI-SEMITISM"

(Continued from Page 1)

discussing the existence and extent of anti-Semitism among Negroes"

Why are Jews universally disliked? It is not because they are Jews, but because of what they have done and continue to do to their host nation.

A partial answer may be found in the following revealing excerpt from the Los Angeles Herald Dispatch, a patriotic Negro publication:

"When the Negro is born, he stands naked before the Jew. And the Jew stands ready to clothe him in physical and mental raiment which has been concocted to guarantee himself in running profit for many years to come.

"He is prepared to regulate the Negro's life from the cradle to the grave. Ninety per cent of what the Negro uses for food, clothing and shelter; and everything which stimulates his mental and physical environment is manufactured and sold to him by the Jew. And the only reason he gets free air is that the Jew has not yet figured out a way to bottle it up and sell it to him.

"Our mental powers are damaged almost beyond repair by the propaganda the Jew feels is necessary to keep us in tow as his chief commodity and source of revenue . . .

"Rabbi Levensen said in his article that after selling the Negro all of his necessities including the rent of his home, it was necessary for the Jew to sell him the liquor that he must have to keep him from despising himself . . .

"The Jew justly despises every cell and every fibre of our moral and physical being. Why? Because he knows the depths to which we have sunk in this American civilization more than anyone else in the world. He has wrapped himself around our wretched souls and capitalized on our misery for as long as we can remember . . . What other race of men would have stood by while the Jews enslaved their women, working them for nothing in sweat-shop conditions, and robbing them when they emerged to buy the necessities of life from him.

"Compare"

absolved, forgiven, annulled, void and made of no effect; they shall not be binding, nor have any power; the vows shall not be reckoned vows, the obligations shall not be obligatory, nor the oaths considered as oaths."

If this strange statement were something dug out of the misty past, it would scarcely merit attention, but as being part of a revised Jewish prayer book printed in the United States in 1919, and as being one of the high points of the Jewish religious celebration of the New Year, it cannot be lightly dismissed after attention has once been called to it.

Excuses Perjury

One of the most important aspects of Kol Nidre is that it suborns or excuses perjury in the Courts in the case of Orthodox Jewish witnesses, whose testimony, of course, is rendered worthless by it.

If the prayer were a request for forgiveness for the broken vows of the past, normal human beings could quite understand it. Vows, promises, obligations and pledges are broken, sometimes by weakness of will to perform them, sometimes by reason of forgetfulness, sometimes by sheer inability to do the thing we thought we could do. Human experience is neither Jew nor Gentile in that respect.

But the Kol Nidre is a holy advance notice, given in the secrecy of the synagogue, that no promise whatever shall be binding, and more than not being binding, is there and then violated before it is ever made.

Breaks Down Confidence

The scope of the prayer is "from this day of atonement, until the next day of atonement."

The prayer looks wholly to the future, "we repent, beforehand, of them all."

The prayer breaks down the common ground of confidence between men — "the vows shall not be reckoned vows; the obligations shall not be obligatory, nor the oaths considered oaths."

It requires no argument to show that if this prayer be really the rule of faith and conduct for the Jews who utter it, the ordinary social and business relations are impossi-

NEGRO "ANTI-SEMITISM"

discussing the existence and extent of anti-Semitism among Negroes."

However after a Negro official in an infelicitous fit of temper invoked Hitler, Jewish patience was exhausted. On February 3, 1966, according to the New York Daily Post (March 18, 1966):

"Clifford Brown, a Negro and a local officer of CORE, declared to an audience, including a number of Jews: Hitler made one mistake — he didn't kill enough of you Jews. I am a racist and proud of it."

This understandably provoked a storm. When in answer to violent protests CORE spokesmen merely said they would investigate the outburst to determine the "context of the remark about Hitler," Will Maslow, executive director of the American Jewish Congress, according to HUMAN EVENTS, (Feb. 26, 1966) "resigned from the national board of the Congress of Racial Equality (CORE), accusing the civil rights group of reacting with 'flabby' moral fibre" to the Hitler reference. Maslow said that it was inconceivable that "any context would make Brown's outrageous statement permissible." Time Magazine (Sept. 9, 1966) reports as follows:

"Supported mainly by contributions from whites, the majority of them Jews, CORE experienced a dramatic drop in income after a Mount Vernon, N.Y. CORE official said in a speech that Hitler's big mistake was that he had not killed more Jews . . . CORE's income is running at a rate about half of last year's \$800,000 . . ."

Sick of You Cats

Soon after the Mount Vernon blunder, in a Greenwich Village meeting, further unfortunate references to the Nazi era occurred. When two Negro intellectuals spoke slightingly of two Jewish Civil Rights marchers "martyred" in the South, someone remonstrated and referred "to the six million Jews killed by the Nazis." Thereupon the Negro Jazz musician, Archie Shepp, retorted that he was "sick of you cats talking about the six million Jews." And the once celebrated Negro, Le-

race of men would have stood by while the Jews enslaved their women, working them for nothing in sweat-shop conditions, and robbing them when they emerged to buy the necessities of life from him . . .

"Compare the well bred Jewish children with the children of our men who would rather send their money to the Jew through the liquor store, leaving their own children to roam the streets unsupervised, unloved and unfed. And those of us who strive for respectability find life almost unbearable as a result of heavy pressures from Jewish mortgagors, loan dealers, license officials and other standard bearers of economic torture who consistently hound us. Through artful deceit in the form of feigned friendship, the Negro is duped into the belief that the Jew is the Negro's common brother in persecution. But no man on earth can claim that dubious distinction."

Roi Jones, according to Midstream: A Monthly Jewish Review (April, 1966) said that

"He had 'his own dead to mourn' and therefore was bored with any reference to other victims of racism, whenever the six million Jewish victims of Nazi racism were called to his attention."

Therefore Midstream accuses LeRoi Jones of speaking "with a certain kind of German accent"! In the conservative, Christian National Review Max Geltman in June, 1966, frankly entitled an article, "The Negro-Jewish Confrontation," and the editors introduced it as follows:

"Negro anti-Semitism in the big cities is a fact," says Mr. Geltman. He suggests that Jewish shopkeepers move out of Watts and Harlem and that Negroes go into trade. (June 28, 1966, p. 621)

At any rate, the American Jewish leadership has reluctantly come to recognize that the Negro is not pro-Jewish and tends to resent Jewish direction of Negro organizations. Now the emerging Negroes want more power for themselves, they want to come to own the apartments and the businesses in Negro areas, and they resent landlords and businessmen who make their money in Harlem and Watts, but live in plush White suburbs.

A HALL OF VULTURES . . . WHICH PERSECUTES ALL OTHERS . . .

SAMUEL ROTH in JEWS MUST LIVE

In 1934, the New York Jew Samuel Roth, a well-known author and publisher, had a 320-page book edited by the Golden Hand Press, Inc., illustrated by John Conrad. Previously Roth had published two books in defense of his race against anti-Semitism, "Europe" (Liveright, 1919) and "Now and Forever" (McBride, 1925), Israel Zangwill used to quote those books. By studying why Jews had been unpopular in all centuries and all countries, after having examined them more carefully and having "tasted" more of them, Roth changed his opinion completely and fully approved the arguments of those who defend their countries against the silent Jewish conquest. As soon as the book was published, Roth was assailed from all quarters with ferocity and Jews tried, but vainly, to have him declared insane. The following are some excerpts of this book, "Jews Must Live:"

HYPOCRISY AND CRUELTY

"Disraeli set the Jewish fashion of saying that every country has the sort of Jews it deserves. It may also be true that the Jews have only the sorts of enemies they deserve, too."

"Jewish history has been tragic to the Jews and no less tragic to the neighboring nations who have suffered them. OUR MAJOR VICE of old, as of today, is PARASITISM. We are A PEOPLE OF VULTURES living on the labor and the good nature of the rest of the world."

"But despite our faults, we would never have done so much damage to the world if it had not been for our genius for evil leadership . . . Granted our parasitism. Certain germ-parasites are essential to the steady flow of blood through the arteries of an organic body. The shame of Israel comes not of our being the BANKERS and the old clothesmen of the world. It comes, rather, of the stupendous hypocrisy and cruelty imposed on us by our fatal leadership, and by us on the rest of the world."

wrath of a betrayed people, there is violence and, inevitably, an ignominious ejection of the whole race from the land. There is not a single instance when the Jews have not fully deserved the bitter fruit of the fury of their persecutors.

"We come to the nations pretending to escape persecution, we the most deadly persecutors in all the wretched annals of man."

"The disease is a sort of moral gonorrhea known as Judaism, and seems to be, alas, incurable. The results as any good doctor will tell you, are invariably treacherous and unhealthy. If you are in doubt take a look at any Jew-ridden country in Europe. If you need to be further convinced, take a look at what's happening in America."

THE CARDINAL PROFESSIONS

"There would not be so much harm in the Jews taking in such immense droves to the practice of the cardinal professions if they approached them in the proper spirit. But the Jew does not, cannot, turn to the law with anything like reverence for the profession or for its splendid traditions."

"The attitude of a young Jew towards his profession is really like that of a gangster towards a new racket. The real end is the amount of money it is likely to yield him in exchange for the smallest investment of labor and enthusiasm."

"The Irishman, the Italian and the Greek become criminals out of sheer necessity, and remain so only as long as the necessity lasts. As in every other thing the Jew touches, he immediately conceives of it as a career."

"It is my honest belief that nothing the Jew does in America is essential to its welfare. On the contrary, a great deal of what the American Jew does is subversive of America's best interests."

"The Jew in America is forever engaged in the fascinating pursuit of creating everything he needs out of nothing — his modest opinion of the gentile world about him."

every minute, with two Jews waiting to take him out of it."

"We see the Jew, in business, as promoter, money-lender, salesman — par excellence, the author and chief instigator of a system of credit by which a nation-wide usury rises like a Golem with a million hands on a million throats, to choke the honor and the freedom-of-movement of hard-working people."

"Judaism is not a religion, but a misfortune", said Heine in one of his bitter moments. He was thinking of his own unhappiness, however. No one has as yet calculated the extent of its misfortune to the rest of the world."

LOYALTY, A CASE FOR DISMISSAL! —

Rabbi Stephen Wise, Zionist Leader, is the Editor of the Monthly Magazine "Opinion."

The April (1937) number carried the mention of three prizes awarded to writers on the subject: "The Way To Combat Anti-Semitism". One prize-winner, Rabbi Victor Eppstein, proposed:

"The present program of palliative relief must give way to a program of fundamental reconstruction. American Democracy MUST BE SOCIALIZED by subjecting industrial production and distribution to the will of the people's Congress. The first step is to ABOLISH the Federal veto and to enlarge the express powers of the National Government through immediate constitutional amendment. A GRADUAL MARCH IN THE DIRECTION OF SOCIALIZATION WILL FOLLOW. At the same time, energetic measures must be adopted to prevent the inevitable reactionary attempt to overthrow democracy. In Spain the Government found it necessary TO ARM ITS WORKERS. In America, let it be beforehand by strengthening the organization of labor; AND BY SYSTEMATICALLY REMOVING FROM KEY POSITIONS IN ARMY AND NATIONAL GUARD ALL OFFICERS WHOSE LOY-

of our being the BANKERS and the old clothesmen of the world. It comes, rather, of the stupendous hypocrisy and cruelty imposed on us by our fatal leadership, and by us on the rest of the world."

"For the first of all Jewish creeds is that Jews must live. It does not matter how, by what, or to what end. Jews must live. And so a return was made to the ancient policy of conquest by the more peaceful and delicate methods of cheating, lying and pimping."

ANTI-SEMITISM

"Here I merely wish to reaffirm the fact that anti-semitism is so instinctive that it may quite simply be called one of the primal instincts of mankind, one of the important instincts by which the race helps to PRESERVE ITSELF AGAINST TOTAL DESTRUCTION. I cannot emphasize the matter too strongly. Anti-semitism is not, as Jews have tried to make the world believe, an active prejudice. It is a deeply hidden instinct with which every man is born. He remains unconscious of it, as of all other instincts of self preservation, until something happens to awaken it. Just as when something flies in the direction of your eyes, the eye lids close instantly and of their own accord. So swiftly and surely is the instinct of anti-semitism awakened in man."

PERSECUTORS

"Have not Jews been admitted from time immemorial, freely, kindly, almost happily by every nation at whose gate they have knocked for admittance? The story of the Jews, as they have themselves written it out, has always gone out ahead of them, to spread through the foreign peoples and evoke in their minds curiosity and pity. Have the Jews ever had to petition a country for admission — the first time?"

"Read for yourself the story of the progress of Jewry through Europe and America. Wherever they come they are welcomed, permitted to settle down, and join in the general business of the community. But one by one the industries of the country close to them because of unfair practices . . . until, it being impossible to longer hold in check the

"The Jew in America is forever engaged in the fascinating pursuit of creating everything he needs out of nothing — his modest opinion of the gentile world about him."

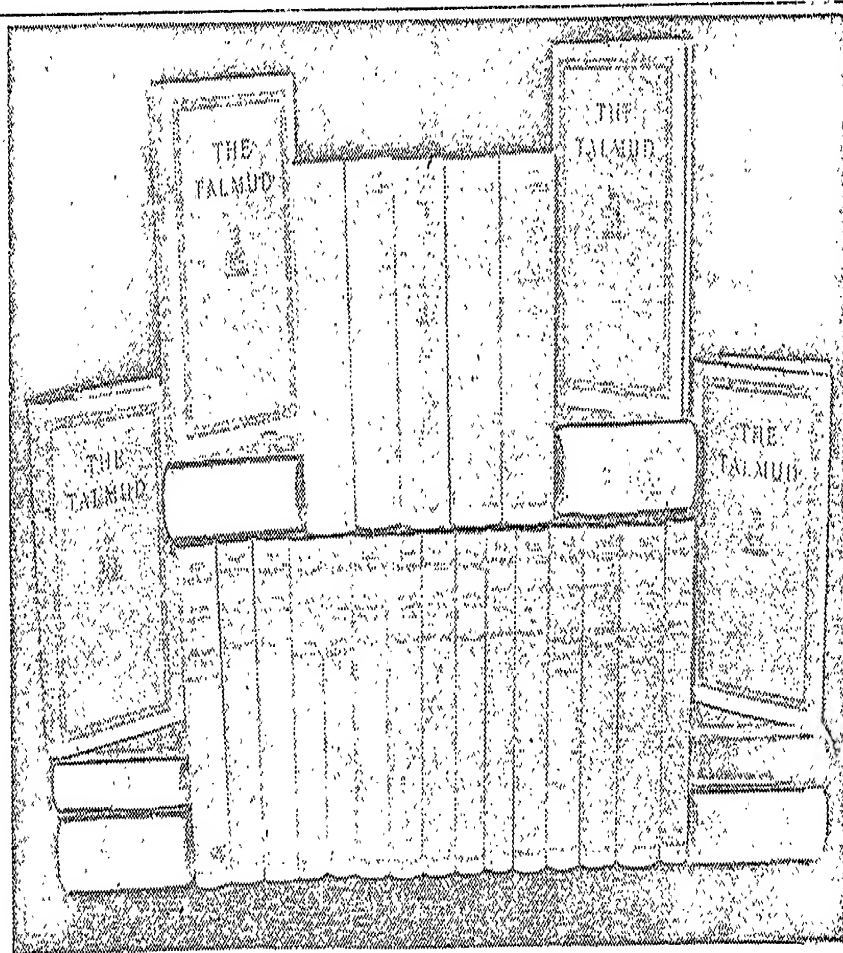

THE JEW IN BUSINESS

"America is full of businesses bearing old Christian names, but which are really owned and run by Jews. Most of them have been acquired in the manner I have just described, the way the Jew creates something out of nothing (slow strangling).

"The Jew better than anyone else in the world knows how to dispossess the poor and the members of the middle classes. To fit this case, the old P. T. Barnum adage needs only a little changing. A gentile enters business

America, let it be beforehand by strengthening the organization of labor; AND BY SYSTEMATICALLY REMOVING FROM KEY POSITIONS IN ARMY AND NATIONAL GUARD ALL OFFICERS WHOSE LOYALTY TO THE CONSTITUTION MAY BE QUALIFIED BY CLASS ALLEGIANCE."

London Jewish Savant, Dr. OSCAR LEVY, in "The World Significance of the Russian Revolution", says: "We Jews have grievously erred. We who have posed as having given to the world 'the' Saviour, are today nothing else than its seducers, its destroyers, its incendiaries, its executioners. We who have promised you a New Heaven, have given you A New Hell".

The Jewish Encyclopedia states concerning the Talmud: "For the majority of Jews, it is still the supreme authority in religion . . . It occupies a prominent place in the curricula of the Rabbinical Seminaries." Rabbi Morris N. Kertzer, Director of Interreligious Activities of The American Jewish Committee, stated in his article titled "What Is a Jew" published in Look Magazine for June 17, 1952: "The

Talmud consists of 63 books of legal, ethical and historical writings of the ancient rabbis. It was edited five centuries after the birth of Jesus. It is a compendium of law and lore. It is the legal code which forms the basis of Jewish religious law and it is the textbook used in the training of rabbis." The Talmud has been condemned by Popes and religious leaders from the time of Christ to date.

Can The Whole World Be Wrong?

Jesus Condemned Pharisees .

The Jews even incurred the wrath of Our Saviour, Jesus Christ, who upbraided them in the following verses of the 23rd Chapter of St. Matthew:

(15). "Woe to you scribes and Pharisees, hypocrites: because you go round about the sea and the land to make one proselyte; and when he is made, you make him the child of hell twofold more than yourselves.

(27). "Woe to you scribes and Pharisees, hypocrites: because you are like to whited sepulchres, which outwardly appear to men beautiful, but within are full of dead men's bones and of all filthiness.

(28). "So you also outwardly indeed appear to men just; but inwardly you are full of hypocrisy and iniquity.

(33). "You serpents, generation of vipers, how will you flee from the judgment of hell?"

WE HAVE BEEN WARNED FOR NINETEEN CENTURIES

In the Gospel of St. John, Ch. VIII, 37-44, is reported a discussion between Christ and the Pharisees (Jews of today).

"YOU ARE OF YOUR FATHER THE DEVIL, AND THE DESIRES OF YOUR FATHER YOU WILL DO. HE WAS A MURDERER FROM THE BEGINNING, AND HE STOOD NOT IN THE TRUTH; BECAUSE TRUTH IS NOT IN HIM. WHEN HE SPEAKETH A LIE, HE SPEAKETH OF HIS OWN: FOR HE IS A LIAR, AND THE FATHER THEREOF."

Wars, revolutions, riots, uprisings, for which so many Jews have admitted the responsibility of their race, are a work of MURDER, a work of the devil.

Schisms, heresies, subversive propaganda, false doctrines, misrepresentation of facts and events, for which so many Jews have admitted the responsibility of their race, are a work of LIES, a work of the devil.

WHY ARE JEWS

UNIVERSALLY CONDEMNED?

Every country has evicted its Jews, every nationality has found them repugnant, religious leaders throughout the world have condemned them . . . not because they are Jews, but because of what they have done.

ENGLAND: Jews expelled in 1290 by Edward I. Not permitted to re-enter till 1655.

FRANCE: Expelled in 1306 by Philip the Fair. A few were permitted to return, but were again evicted in 1394. Jewish settlements remained in Bordeaux, Avignon, Marseilles, (from where they were evicted in 1682) and in the northern province of Alsace.

SAXONY: Expelled in 1349.

HUNGARY: By 1092 the Jews were in control of Hungary's tax collections. In 1360 they were expelled but later returned. In 1582 they were again expelled from the Christian part of Hungary.

BELGIUM: Expelled in 1370. A few settled there again in 1450, but no large numbers came till 1700.

SLOVAKIA: Ousted from Prague in 1380. Many settled there again after 1562. In 1744 Marie Theresa expelled them again.

AUSTRIA: Expelled in 1420 by Albrecht V.

NETHERLANDS: Expelled from Utrecht in 1444.

SPAIN: Expelled in 1492.

LITHUANIA: Expelled in 1495 by Grand Duke Alexander. They later returned.

PORTUGAL: Expelled in 1498.

PRUSSIA: Expelled in 1510.

ITALY: Expelled from Kingdom of Naples and Sardinia in 1540.

Jews were not permitted to enter Sweden until 1782. None were permitted to enter Denmark before the 17th Century and they were not allowed in Norway after 1814. Today only a handful reside in all Scandi-

World Jewry in Retrospect

Jack Tenney in CRY BROTHERHOOD, also gives a few sound reasons why Jews are universally disliked.

"Few reasonable men will attempt to refute the proposition that 'a people within a people' (or a 'state within a state') is incompatible with social tranquility and the security of the state itself. Yet this is the exact situation that existed in every European country where the Jews resided.

"Why has no one shed public tears over the expulsion of the Jesuits from France—and the other countries of Europe? Who, today, mourns over the plight of Christians caught in the cross-currents of French political intrigue — Christians who fled the land of their birth, suffered exile and death, and whose property was confiscated when they were on the losing side of the argument? When the number of Christians who so suffered is tabulated it towers in gigantic proportions over the comparatively infinitesimal number of Jews who allegedly suffered at the hands of Christian Europe. Yet those Christians sleep unwept and all but forgotten in the annals of apologetic history.

"In Spain the Jew was on the side of the Moslem invader, even though the Moor had expelled him from Grenada in 1066. While unquestionably there was greater affinity between the Jew and the Moor, Jewish sympathy for Islam was not derived from a sense of love for the followers of Mohammed; it was because Jewry despised Christianity more intensely. The centuries had proved that the Jew was as incapable of living in tranquility with the Moslem as he was in living with the Christian. Jewry had been expelled from northern Africa and Moorish Spain from time to time, especially in what the Jews have called the Almohade "persecution" in 1146. Omar, the second Caliph, had banished all the Jews from Holy Arabia in 640. In 1172 they had been run out of Yemen. And they had not returned.

Schisms, heresies, subversive propaganda, false doctrines, misrepresentation of facts and events, for which so many Jews have admitted the responsibility of their race, are a work of LIES, a work of the devil.

The history of contemporary misfortunes can be summed up to two things: LIES which mislead men and peoples, MURDERS through wars and revolutions which surge from misguidance.

There Is Only One World Problem: THE "JEWISH" PROBLEM

Jewish leaders, books and newspapers state that:

Jews dream of a world domination and work for the realization of that dream;

Jews control the financial and economic life of the world; they have the power to instigate crises and unemployment, in order to ruin individuals and states, and prepare revolution; Jews are born revolutionists and supply the leadership and execution of all great revolutions;

Jews are the creators, leaders, propagandists and money-purveyors of Marxism (socialism, communism, bolshevism);

Jews want all nationalities and religions to disappear, in order to bring forth the "one world" which would deliver world domination unto them;

Jews, through their powerful means of propaganda (cinema, publishing houses, news agencies, organizations of all sorts) work for the choking of national, racial and religious sentiment, so as to bring down the civilization built by all peoples;

Jews control secret societies, which form provisional governments and turn all political and social upheavals to the profit of Jewry;

Jews are not nationals, in whatever country they may be, but are essentially Jews and cannot think as other citizens think;

Jews are at the very root of all troubles, all perturbations, all conflicts, all revolts of the Modern World; they gradually judaize other peoples by the influence of their organizations, and work towards bringing them to believe, think and live as Jews;

Jews want to immolate all peoples as victims for the health and survival of their Golden calf.

PAVARTIA Banned permanently in 1951

Jews were not permitted to enter Sweden until 1782. None were permitted to enter Denmark before the 17th Century and they were not allowed in Norway after 1814. Today only a handful reside in all Scandinavia.

57 edicts designed to protect the Christian community from Jewish aggression and opposition have been issued by 29 Popes down through the centuries.

1732-99—George Washington called Jews "Pests to Society."

1706-90—Benjamin Franklin stated "They should be excluded by the Constitution."

1822-85—President Ulysses S. Grant expelled Jews from the U.S. Treasury.

in what the Jews have called the Almohade "persecution" in 1146. Omar, the second Caliph, had banished all the Jews from Holy Arabia in 640. In 1172 they had been run out of Yemen. And they had not fared better in Persia, Bablyon and Egypt. The expulsions of the Jews from Spain in 1492 — estimated at between 160,000 and 200,000 — has been the melancholy tale of Jewish writers ever since; a sad story, depicting simultaneously the incredible cruelty of Ferdinand and Isabella and the Catholic Church, and the noble innocence of the Jews! Yet, a century later, Spain expelled a MILLION Moriscos from its borders — TWO HUNDRED THOUSAND OF WHOM PERISHED IN EXODUS! The fact that this decree of banishment fails to solicit the sympathy and tears of the world can only be explained by lack of clever propagandists in Islam.

"What caused the Jew to be so universally disliked? He was unable to live in peace in Asia, Africa, or Europe. He was always invited, and no one asked him to stay. He was always invited to leave and always had to be driven out. He had no errand, no mission, no message for Europe. He had nothing in common with Europeans. As a matter of fact he despised them, and held nothing but contempt for their religion, their governments and their institutions. He was in Europe solely for his own purposes. And in coming he announced that he was the chosen of God; that he had given the Christian his Christ, and permitted the Christian to use the Jews' ancient Bible. In his braggadocio he claimed everything Christian except Good Friday and Easter."

Rise Of Negro Anti-Semitism Setback To Zionist Plotters

By AUSTIN J. APP, Ph.D.

Reprinted from American Mercury

What a few years ago no one suspected, and with the Philadelphia and Los Angeles riots was noticed but suppressed, has in the last few months been confirmed and found expression: namely, that the American Negroes who were expected to love the Jews as their Civil Rights champions more often resent them as their exploiters.

On October 13 and 16, for example, the popular television hour, "The David Susskind Show," carried a one-hour program advertised in the daily papers as "the Negro adults who hate Jews air their opinions." The main complaint of the three educated Negroes who appeared was that while Jews talk Civil Rights for Negroes they exploit them in the

and so on. One of the participants, a woman, surprisingly complained that Jews in the press and radio and television brainwash public opinion, even to the point of inducing hatred for some nations like Japan and Germany, one year, and other nations, such as China, the next.

The American Jewish Congress reacted

that Jews proportionately were more widely represented than any other religious or ethnic group in the country. Moreover, Jews have been in the forefront of the Negro struggle for justice long before it became fashionable for elements in other pastures to say amen. Why then this sudden climate of anti-Semitism in the Negro community, not only on a mass level but among intellectuals as well? Surely the Jew is not to blame . . .

What Mr. Ziprin calls "this sudden climate of anti-Semitism in the Negro Community" was probably not really sudden and really is not racial, as the word anti-Semitism suggests, but is simply resentment of some Jewish practices.

The First Evidence

The first evidence of it came in the reports of the Philadelphia riots in 1964. After the destruction and looting running into millions was surveyed, it was found that primarily Jewish stores had suffered. Then the Negro leader Cecil Moore confirmed the suspicion when he thundered:

"Don't mention exploitation to me, I've seen the worst of it. I mean when a man

in August, 1965. Though the news media hesitated to believe or to report on the anti-Jewish aspects, these could not be entirely ignored. An AP Report on the Watts riots carried the following paragraphs:

"An anti-Semitic note was injected in some answers. 'All those stores that were ruined are owned by Jews who live in Brentwood and Beverly Hills,' said one Negro. 'They have been bleeding us for years . . . None of these merchants ever have put a cent of their profits back into bettering the Watts business district,' he said. A half-dozen others echoed his feelings." (See Phila. Inquirer, Aug. 18, 1966)

The widely known author and columnist, John Dunne, in a story in the Saturday Evening Post (Nov. 6, 1965), entitled "Watts: the fire next time," described how some months after the riot he walked "past the burned out stores which still lined the streets of Watts like missing teeth." The editor, Mrs. Pat Alexander of the Herald-Dispatch, a Negro publication claiming a circulation of 35,000, said to him, "What the Negro hates is the awful deceit by the Jews. The whole

stores and shops. And one of the participants, a woman, surprisingly complained that Jews in the press and radio and television brainwash public opinion, even to the point of inducing hatred for some nations like Japan and Germany, one year, and other nations, such as China, the next.

The American Jewish Congress reacted violently to this program. Its executive director, Will Maslow, telegraphed:

"We are shocked at David Susskind's pandering to sensationalism by turning his program over to three Negro anti-Semites."

The National Review (Nov. 1, 1966) commented on this that "the impossible Mr. Susskind's principal contribution to anti-Semitism lies in his being Jewish."

The pained and shocked Jewish recognition of Negro ill-will is well expressed in a column by one Nathan Ziprin on "Negro-Jewish Relations" in the Jewish family newspaper American Examiner (July 21, 1966) as follows:

"... If one were to scan the list of participants in freedom marches and other manifestations of protest, it would be found

of the Philadelphia riots in 1964. After the destruction and looting running into millions was surveyed, it was found that primarily Jewish stores had suffered. Then the Negro leader Cecil Moore confirmed the suspicion when he thundered:

"Don't mention exploitation to me, I've seen the worst of it. I mean when a man buys a pair of \$5 shoes for a dollar a week, he winds up paying \$12 for the shoes. And the rotten meat, the packages of chicken that say 5 lb. and weigh 4 and one-half lb., the stale bread and the high rents. I warned them in 1959 that the exploitation was going to blow the top off. I told them again in 1963, but the merchants did nothing to stop it. Well, the people up there won't wreck those stores again. We'll just boycott them. The Negro store that got wrecked was owned by a man named Richberg. They thought he was a Jew."

—(See Time, Sept. 11, 1964)

Watts Riots

The second evidence to hit the incredulous American and the stunned Jewish people emerged from the Watts riots in Los Angeles

the fire next time," described how some months after the riot he walked "past the burned out stores which still lined the streets of Watts like missing teeth." The editor, Mrs. Pat Alexander of the Herald-Dispatch, a Negro publication claiming a circulation of 35,000, said to him, "What the Negro hates is the awful deceit by the Jews. The whole civil-rights movement is a branch of Zionism." When a Commission disclaimed "any Communist influence in the Watts Revolt," the same Herald-Dispatch editorialized:

"This is understandable if you understand the nature of Communism in the United States. Communism in the United States would never permit the burning of Jewish Businessmen's establishments such as was the case in the Watts or Los Angeles Negro Communities (Dec. 23, 1965)."

The anti-Jewish aspect in the burning and looting of Jewish stores during the Negro riots was soft-pedaled in the press. The very papers which featured the profaning in Munich of some Jewish tombstones by three German teenagers and editorialized upon it as a monstrous crime and an alarming proof of neo-Nazism, hushed up as much as possible the anti-Jewish aspects of the riots. The same Jewish organizations that enthusiastically sniff out and blow up to huge proportions any whiff of German anti-Semitism, and that snoop about in America to find traces of it among Gentile Americans and almost gloatingly announced an alleged finding that those Americans who go to Church most are the most anti-Semitic, were too stunned about signs of Negro anti-Semitism to want to recognize it. They are eager for signs of German anti-Semitism, which they publicize as a confirmation of the congenital and collective evil nature of the Germans, but they are appalled that the unspoiled, semi-pagan children of nature, as they Rousseauistically regard the Negro, could possibly dislike so wonderful and sympathetic a people as themselves. Like Noah's sons, they shamefacedly preferred to cover up this Negro ill-will. A featured writer in the Anti-Defamation League Bulletin (March, 1966), for example, writes, "I think there is too much time spent

Edward Herbert, ordered troops integrated, and when protests were raised by negroes and whites, Yarmolinsky stated "he did not give a damn whether they wanted to be integrated or not, that they would be integrated." J. Edgar Hoover, Mgr. FBI
Washington, D. C.

Dear Mr. Hoover: Greetings!

Enclosed is a very bad article copied for your inspection. Certainly it is one of those works which run down the police, encourage anarchy and disrespect for duly appointed authorities.

I investigated the source and authenticity of the article as much as I could to date, and enclosed is a letter which deals with the result of the investigation, also a copy of a letter which explained my attitude to a close friend. It is self-explanatory.

Some friends and I are reading with interest 'PROTOCOLS of the Learned Elders of Zion, which you probably have read. Copies may be had from the publisher, CHRISTIAN EDUCATIONAL ASSN. 530 Chestnut St., Union, N. J. Whether this is a forgery or not, still the events of today are hitting the contents of that book right on target.

Well, I hope that the material enclosed will enable some of the work of the guilty varmints to be reduced. NEA Syndicate seems to be a possible Communist Propaganda distributing center.

We are in such a condition of ever-increasing anarchy, that some of us would like to do something to help cripple the offenders. I did not know whether it was well to send a copy of this material to the UNAMERICAN AFFAIRS COMMITTEE (if that is the name of the group involved in such problems.)

Your comments would be a help, and possibly instructive.

Most sincerely

[Redacted signature block]

February 5th 1968

To J. Edgar Hoover, FBI
Washington, D. C.

Dear Sir: On Feb. 3rd, 1968, I sent a letter to you enclosing a newspaper clipping reproduction which seemed to me to be very anarchistic in tone, along with a letter to a friend telling of the brief examination which I made, seeming to confirm that some effort was being made - possibly by subversives - to degrade and contaminate the thinking and acting of the American Public.

I am enclosing for your inspection a copy of the 'PROTOCOLS of the Learned Elders of Zion'. As I mentioned in the previous letter: the events of today match to an alarming degree the program apparently mapped out in the PROTOCOLS. This brings to my mind - I think, naturally - that Zionist Jews are really in a ~~the~~ bad position of #1 suspects. The Protocols say that practically all world-communications are under Jewish control, and that just about everything (or 100%) of news coming into USA must be approved by those folks. I am still desperately uneasy, remembering that Germany's murder of 6,000,000 Jews was publicized in this country - unanimously, so far as I can recall - as entirely unprovoked by Jews who were guiltless, and the Germans and Hitler included, were simply beasts looking for a scapegoat etc; and that Hitler was a fairy and a pervert. (Although that progressive nation of 75,000,000 ^{or so} followed him eagerly.) This made no sense to me - there must have been great provocation - so I reasoned. So, our news must have been censored, and who would have done it with that kind of slant? Of course, our Jewish friends. -- Mr. Hoover, I am one of those folks who believe that action - prompt action should be taken to stop the really guilty persons or whoever is responsible for the present anarchy. --- The Protocols look awfully close to the target in their information; so much so that - if I don't get some better information rather quickly, then I'll be forced by my conscience to do what I can to get every man woman and child in USA to study that document, and then follow their own judgement. This is why - in part - I am asking you to give to me whatever definite information you have on this subject. I am rather sure that, if NEA is guilty of Communist or Zionist activities to sabotage the country, then all the other syndicates are also guilty by induction, since the innocent would turn in the guilty if they noticed such guilt (and they couldn't help noticing it -- they have their skilled readers)

I'm speaking with utter frankness to you Mr. Hoover, and hope that jail won't be the result: I don't believe that our President and high officials today are capable of doing a good job -- they are not free to do so. Many, as you know, have ^{had} some bad moments in their past, and can be blackmailed. The Supreme Court has made some terribly bad decisions which liberated rotten literature and disruptive (to the police etc. law enforcement) legislation, under technicalities which ignored entirely the 'father function' so necessary of a great court toward its country. They are lost in crazy technicalities. All this stuff is outlined also in the protocols, and outlined as a way to degenerate the 'Goyims', meaning Gentiles. Every miserable setup today is pointed out in that pamphlet: and even though some folks claim that it is a forgery, still, its items are coming right out to the least detail in most cases.

I am a student of philosophy, religion, and psychology, through the practical disciplines of yoga over perhaps 26 years--trained under an Eastern Master for 6 years (monk's training). Yet here am I ready to fight (in my own way) to try to end these villainies. What I immensely ^{fear} is the making of a serious mistake which will finally contribute to the killing of a lot of innocent people. It ^{ALARMINGLY} is becoming apparent that the people themselves are going to have to solve their own problems, since they are not being solved by the political and agencies downward. For instance: prices should be regulated (frozen) and wage limits and profit limits set. And what politician can do these things without being voted out of office? Their hands are tied in this anarchy. Also, I am told by a local policeman that his fat young nephew of about 10 years of age, white, and two or three little girls are the only white students in the ^{3rd or so grade} Samuel Miller school room: N. J. Every few days, says the officer, about 3 ^{TO} negro kids jump the little fatso and beat him up. The boy has found that he must take it, or else - simply more negroes jump aboard. Complaints to the City Manager, the chief of police and other dignitaries produced the unanimous verdict; "we must not do anything; it might start a race ^War." This is what the policy of keeping the peace at any cost comes to. And yes, even I, don't want to see these folks killing each other. But, it's getting worse. That little fat boy is going to have some terrible complexes, since nobody - parents and police included - will help him in this formative

part of my life which must be a hell

If you can explain to me a constructive enlightening view of these matters, particularly the contents of the PROTOCOLS, and the innocence or guilt of the Syndicates, whom I seem already to have convicted, you may ^{possibly} save me from the most embarrassing and shame-producing activities of my life.

Tonight, on the David Susskind show, there were four small Jewish boys of great intelligence - each about 11 or 12 years old, one of whom was Susskind's son. It horrifies me to think of any activity in this country similar to the purge of Hitler, which took all Jews as mortal enemies. ^{But} if he could have done something else I have doubt that he would not have done it, altho, finally he had to make brute force almost his whole pattern. I don't like this trend of thought, but we - in this country - are really in trouble, and you and I both know that ~~this~~ ^{decent order} must come one way or another, or else the country will cave. No discipline - no country. Those who finally stand in the way must be pushed to one side, or the whole structure will die. ^{And} the moral breakdowners must be stopped without delay.

I'll bet anything that you are one of the most frustrated men in the nation, Mr. Hoover. You must know a great deal, and have some practical remedies for most of the present ills of society, and not be able to apply those remedies - you are not given the authority, unfortunately. I tell my sometimes angry (at me) friends that in our anarchic condition, ordinary politicians do not function: what we need is a strong righteous, (even tough,) military dictator who knows how to keep order. Who likes military dictators? No one; ^{ordinarily} but, compared to anarchy, a dictatorship would be heaven!

Our newspapers - as the PROTOCOLS said - are doing a beautiful job of producing a lot of conflicting information, without any encouragement for good moral action. Well, I'm going to stop. I need your help. If you can't write on such touchy matters, will you ^{please} use a good man and have him talk to me. Even a brief meeting might have quite a good effect on those folks in my orbit. (This may be irrational, but, I am the author of a book named: [redacted] Phil. Lib. NYCity)

Most sincerely, [redacted]

Dear Mac: I hope that you are all OK. It is not surprising to me that you have not experienced in your life any sizable confirmation of my unwelcome views (the results of a long-long-long lot of thinking).

If you can perceive what I present in this letter (which contains a specimen of the way in which anarchy is progressively nurtured in this country) then I'll be a bit relieved.

The article enclosed 'WAS THIS THEN PROTEST A COP-OUT?' is in the Burlington County Times of Jan. 22nd 1968, page 22. I read it accidentally in Rodney's Restaurant, and found it extremely interesting. When you read it, notice that no locations are given, and no real names are mentioned. Police are slandered; conservative elements of society are run down. Students are encouraged to riot. (I hope that you don't think that I am stretching my imagination.) Anyway, I wanted to talk to the police of the town involved in the article, and I went to the local police-station. The police hadn't heard of such a riot (supposed to be on the previous Friday). So, yesterday (Thursday) I called the Burl. County Times, and asked for the author of the article: Helen Alpert. The Associate Editor (same?) was the only man on hand, and the conversation ran something like this:

[redacted] there?"

"No" - "Just myself (assumed)"

"I'd like to speak to [redacted]"

"She isn't with us."

"How can I contact her?"

"Well, she's with 'NEWSPAPERS ENTERPRISES ASSN., (NEA) CHICAGO, ILL."

"Listen, I read last Monday's article by her; have you read it?"

"No, I haven't." --- "Why?"

"Well, she tells of a teen-age riot in high-school, because of a sharply cut budget. This was supposed to have occurred in an upstate school. Our police haven't heard of this, so I am contacting you folks." This is such an unusual affair, that I want to check details. Tell me something: who reads over these articles to make sure that no harmful material reaches the public?"

"Oh--nobody. NEA is reliable, has a good reputation, and the only possible checker is our Bristol agency, who probably rarely checks over this stuff; it's usually well-written."

And said I: "Look, from what you have told me, a ~~man~~ employed by NEA could sit down and record what happened in Wisconsin, leaving out all direct names and locations, then NEA could publish it in every state in the union, and--each person who read it would automatically conclude that the events mentioned happened in his own state. Isn't that right?"

And he answered firmly: "Yes it is."

And I said "Thank you -- you have told me what I wanted to know." And we hung up.

And then I began to reason: "Possibly 2000 towns served by NEA. Average circulation of newspapers in each 20,000 (a guess). Total 40,000,000 people misinformed in a seriously harmful way. Apparently there is no serious censorship of harmful material by NEA or the destination printers. I think that this is absolutely intentional and wilful. You may not Mac. But I'm going to keep on studying this out as if my life depended on it. That author, (says [redacted] secretary) had a very bad article the week before, but, I didn't see that one."

It's What's Happening

BURLINGTON COUNTY TIMES, BURLINGTON, N.J.

Was This Teen Protest A Cop-Out?

By Helen Alpert

You heard about it.

Squads of students at an upstate high school pulled a Friday "walk-out" to protest the board of education's sharp cut in the school budget.

It lit the fuse for a mob scene. Screaming students bolted from classes, thronged the streets and rushed to march downtown.

Their conduct was so unprecedented it horrified the school principal, faculty and student council president. It horrified the mayor, board of education and the police.

Strong-arm tactics finally dislodged the students and hustled them up for punishment.

But when the city began regaining its cool, private explosions began splitting the school's faculty into fragments. Was this a sincere demonstration of civic zeal?

Or was it an imitation. Or was it not a walk-out, but a cop-out, just to skip a school day?

Then came the hard-core statements: Teenagers are incapable of a genuine sense of purpose. "Black Friday" was produced by irresponsible kids merely seeking excitement.

That's what the board of education decided. That's what the mayor, the police and most parents decided.

In furious disagreement, however, is the school's faculty. Their dialogues are heating to the boiling point. I managed to find the flaming debates

still in progress. Most vehement is the Social Studies teacher; we'll call him Mr. Anderson. "Yes, this was civil disobedience," he said. "But that's not the point. What I fiercely resent are the police-state tactics to force down the majority of students."

"The brave contingent that finally made it downtown was invincibly strong in its moral stance because, weeded out by the police (who inadvertently did them a favor) was the school-skipping, thrill-seeking element."

"That's a laugh," retorted an English teacher; we'll call him Mr. Blake. "I go along with the police. This was no responsible protest. The Declaration of Independence, revolutionary as it is, never sanctioned revolt for revolution's sake. This was just a dodge to get out of school."

"You're on a bum trip like the rest of them," fumed Mr. Anderson. "Can't you agree that plenty of teenagers are turned on to social action and involvement? The administration did a great disservice to those who hear the sound of different drums."

Mr. Blake: "The only drums they hear throw them into antics. There's no time in school for antics and frivolity." Mr. Anderson: "This was not frivolity. Aren't you listening? You're one of millions of skeptics who disclaim that high school kids can become involved in social issues. These kids had a sense of pur-

pose. They were committed." Mr. Blake: "I'm not impressed. Why can't they take effective action in an orderly manner, not causing a riot. Some did. They sent letters to the editors of the city newspaper. They appealed over the P.A. system asking students to recruit parents and go with them to the budget hearings. They bought a full-page ad in the newspaper to state their case. That's the way to megaphone your position. Otherwise it's mass hysteria."

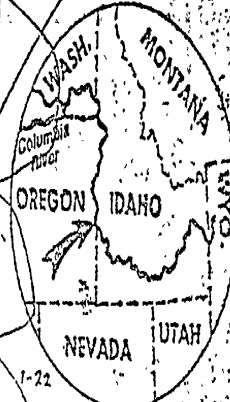

Mr. Anderson: "You talk like a square. I maintain that in

these days when psychedelic, cop-out movements are rampant, when alienation is the name of a new social disease, a positive thing like a school walk-out is refreshing!"

Mr. Blake: "Watch it, bub. If word gets around, you'll be losing your job. Why can't you play it safe, like me?"

NOW FOR YOU: Helen Alpert has added a "strictly Personal" service on Teen problems. She will reply personally. Your requests will be handled in the strictest confidence. Address her in care of this newspaper. 1968, Syndication Counsellors

According to [] BILL (LNU) and [] or [] (LNU), started the meeting by playing tapes. The first one ran for about an hour, and was made by a professor in Illinois. This tape was concerned with the world's food supply and suggested that inferior races be culled or eliminated in order for the superior races to survive. It was essentially an anti-inferior race type tape. The second tape was about 45 minutes long, was made by one [] and appeared to [] to be a recruiting type tape for the Klu Klux Klan.

BILL (LNU) and [] or [] (LNU), then said they were interested in setting up small groups in New Jersey and Pennsylvania consisting of 5-6 people who would conduct aggressive acts against Negroes. They would supply help in the form of arms and explosives and supply these items for the groups they hoped to form. They also talked of a plan they had to take a small airplane (probably an Aeronca) and fly over the Newark, NJ, Negro section at night and drop incendiary bombs to burn out the Negroes. They also talked of having these groups, in the event of Negro riots, burn out the homes and businesses of Jewish people in the Negro section and have the Negro people be blamed for these acts.

[] also advised that he did not know of any name for the above group, but it was mentioned at the meeting that there were some groups in existence in South Jersey, and also in Pennsylvania, at this time.

[] also advised that at the meeting was a young boy, who had been in [] as well as [] [] also said that he would be willing to point out the house in Plainfield, NJ, where the meeting had taken place.

On 2/7/68, [] furnished to SA [] a copy of "Common Sense", a newspaper founded by the late CONDE MC GINLEY, in Union, NJ. This newspaper is published bi-weekly in Union, NJ. This paper was given to him, on 2/3/68, by "BILL", at the meeting in Plainfield, NJ. He also said that "BILL" had said he was editor of "Common Sense".

On 2/7/68, [] pointed out to SAs [] and SETH F. EIKENBERRY the residence where the above mentioned meeting had taken place. This was determined to be a large home with an address of 1107 E. Front St., Plainfield, NJ,

NK 157-1834

located on the corner of E. Front St., and Netherwood Ave. [redacted] also said he had entered this residence from the Netherwood Ave. side, but he believed it was a single family dwelling.

[redacted] also advised that in the event he obtained any additional info concerning this group he would notify the FBI. He also pointed out that neither he nor his friend were interested in what had been proposed at the meeting and he doubted he would obtain any additional info about this matter.

On 2/9/68, SA EIKENBERRY determined through a check of public records at the Office of the Tax Assessor, City Hall, Plainfield, NJ, that the house at 110 7 E. Front St., Plainfield, is owned by JOSEPH and TERESA BIVONA.

Indices contain a reference to one JOSEPH C. BIVONA who, in 1955, was the subject of NEWARK FILE 26-11801, captioned "JOSEPH C. BIVONA; IESMV". JOSEPH C. BIVONA was then (1955) described as follows:

CHRISTIAN EDUCATIONAL ASSOCIATION
RACIAL MATTER (ORGANIZATION)

The Christian Educational Association of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense", a tabloid size newspaper published twice monthly except once each during July and August. On August 6, 1965, [redacted] advised she has been acting manager of "Common Sense" since the death of the editor, Conde Mc Ginley, on July 1, 1963. She stated she was associated with Conde Mc Ginley for 17 years and since his death has been continuing his editorial policy.

On May 5, 1967, [redacted] advised there has been no change in the above situation and that the paper still does not have an editor.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Hate Groups" which discussed their growth and objectives at length. This report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the committee".

According to the report, "Common Sense" depicts communism as Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi Government in Germany is also shown in the paper.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Gentlemen:

Enclosed is a sampling of hate literature which came into my possession through a neighbor.

The woman who is distributing this literature is Suzanne Caum, 909 Kenwood Road, Drexel Hill, Pa. Her telephone number is SU. 9-4230 and it is an unlisted phone. She is a woman in her 60's or 70's slightly built, grey hair, light complexion and approximately 100 pounds in weight.

According to my neighbor, a landscape gardener whom she called in for an estimating job, she is a writer and has broadcast over numerous radio stations, but is not permitted on Philadelphia stations. She claims the radio station people know her well.

She distributed other literature to my neighbor and his work crew, all primarily of a religious and health nature. If you are interested I will be glad to send it along.

I am not aware of the legality or illegality of the literature in question or its nature of distribution, but would appreciate it if your office would let me know how the law stands in this matter.

Thanks for your help.

Sincerely,

APPENDIX

CHRISTIAN EDUCATIONAL ASSOCIATION

The Christian Educational Association of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense," a tabloid size newspaper published twice monthly except once each during July and August. On August 6, 1965, Miss Catherine Roberts advised she has been acting manager of "Common Sense" since the death of the editor, Conde Mc Ginley, on July 1, 1963. She stated she was associated with Conde Mc Ginley for seventeen years and since his death has been continuing his editorial policy.

On May 5, 1967, Miss Roberts advised there has been no change in the above situation and that the paper still does not have an editor.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Hate Groups" which discussed their growth and objectives at length. This report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the committee."

According to the report, "Common Sense" depicts communism as Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi Government in Germany is also shown in the paper.

DECEMBER BULLETIN

December 15, 1970

Dear Fellow Patriots:

On December 12th and 13th a meeting of State and Regional Coordinators was held in the Chicago area for the purpose of reorganizing the Minutemen. This meeting was forced upon us by the following facts coming to light in the recent months.

1. The Headquarters staff at Norborne have been stealing defense funds for some time and spending this money on luxury items for their own personal use. Also some of this money has been used for the purchase of hallucinogenic drugs which are used quite heavily by persons on the staff at Norborne.
2. Bob DePugh is no longer able to run the organization, and his attempts to do so from jail are tearing it apart.
3. Patriots across the country have been sold out by the pimps and dupes who now control the operations at Norborne Missouri. Security of all types has vanished from their grasp.
4. The National Headquarters staff has been unable to cooperate or even co-exist with members of the executive council or the Regional and State Coordinators, to the point that many are dropping out of the organization after ten years of hard work.

In light of the preceding facts and others, the Regional and State Coordinators met in Chicago to determine a new course of action. The turnout at the meeting was much higher than expected with such short notice. The results of the meeting which are of vital importance to all loyal Americans are as follows:

1. The Norborne offices of the Minutemen are no longer to be recognized as the National offices of the organization and the persons working there are no longer accepted as members.

2. The Continental United States has been redivided into ten Regions and Coordinators for all ten are in the process of being appointed.

3. There will be for the present no new National Headquarters and no National Director. However, the Chicago offices will serve as Coordination Center for the intelligence information exchange which all the regions must have. All Coordinators will answer only to the executive council made up of the Ten Regional Coordinators.

Other than the change in leadership and style of National Coordination all goals and aims of the Minutemen will remain as they have always been. All standard operating procedures will remain in effect.

It is with no great regret that we say goodbye to the patriots for profit that have run this organization since the capture of Bob DePugh, and all they stand for.

All material ever issued by National Headquarters is being republished where copyrights allow and all other material is being rewritten slightly and will be ready soon. Please contact your Regional Coordinator or the National Coordinating Center as soon as possible. We need the help of every Patriot in setting right the wrong of the past and in rebuilding the Minutemen into what it once was--"Truely the elite of the patriotic movement."

Enclosed with this letter is a December report form for those of you who are already members. For those of you who are not there is a space to indicate your desire to join. Included also are a list of reprinted and original publications which your teams may not have all listed are now available from your Regional Coordinator or the National Coordinating Center.

The address of Your Regional Coordinator appears on the front page of this letter if one has been appointed for your area at this time. If no second address appears send all mail to the National Coordinating Center, and it will be forwarded to your Regional Coordinator.

Yours For America,

Dear Mr. Stephens:

I am writing to you personally because I recognized the address at the end of the "Minutemen" letter as being yours.

I have given much thought to our telephone conversation of several months ago. You seemed to be a very confident and capable person from what I gathered over the phone.

I am not a person to jump to conclusions. I wait until all of the evidence is in before I make a decision.

If all of what the letter that you recently sent to me is true, then I am with you all of the way.

As Southern Regional Coordinator of the Patriotic Party I have a stake in anything that happens to the Minutemen. As a person who knows Bob DeFugh personally, I am concerned about what has happened to his family and what they may be doing.

I am ready, willing and able to give my support to a new and re-organized Minutemen group if it is really on the ball. Of course I must know more about what is to be done before I make a final decision.

As you no doubt have found out by now, I helped train Minutemen in Colorado and have a Martial Arts training school here in New Braunfels.

If I decide to come into this new Minutemen organization, I will have my school and camp facilities available for training purposes. And of course I will be available for travel to any part of the country to serve as an instructor in guerrilla warfare or lecture on the subjects which I am qualified for as an expert.

I await your answer.

Yours for Christ and America,

Roy Brown

Dear Sirs:

I am in receipt of a "December Bulletin" issued by your office that was sent to me recently by Mr. Jesse Stephens.

As Southern Regional Coordinator of the Patriotic Party, I am concerned with anything concerning the Minutemen or anything that concerns the DePugh family.

I am not one to jump at snap judgement but if what you say is true about the DePugh family in Norborne then I am with you all of the way.

As I don't know you then I will await your answer to this letter which I hope will have more information on what you plan to do.

As you no doubt know me then you know that I trained Minutemen in Colorado and that I have a martial arts school. If I should decide to join you, then of course my school and camp facilities would be available to the organization and I would give the Minutemen and "other needed training" as well as lecture on various subjects needed by Patriots.

I await your answer to this letter and hope that you have something constructive to offer in these troubled times.

Yours for America,

Dear Mr. & Mrs. DePugh:

I am writing at this time for two reasons especially. First to give my heartfelt sympathy to you in your time of sorrow for Bob's latest sentence. Second, to send you the enclosed photocopy of a letter that I received from a so-called re-organized Minutemen.

This letter upset me for several reasons. First because it makes some terrible accusations about the DePugh family in Horborne which I don't believe to be true. Second, it looks like someone in the organization has mailing lists whom I believe shouldn't have them. Third, it looks like there is a well organized effort to destroy all that Bob has sweated, sacrificed and suffered for. Fourth, if something isn't done to counteract this move then all that Bob has done to help save America will be smeared by these people.

As Coordinator of the Patriotic Party for the southern region, I would do something to counteract this if you would tell me what to do.

In the meantime I am going to write to this group and pretend to play along to try and find out just what they are up to. I will of course keep you informed on everything that I can find out.

Please write and tell me what is to be done about this new event. I rely on your good judgement for Bob's and America's sake. I await your answer. GOD BLESS ALL OF YOU!

For Christ and America,

Roy

Dear DePugh Family,

I am writing you at this time for several reasons. First, thank you for the Christmas greeting. Second, I send my heartfelt sympathy to you because of your sorrow at the latest sentence received by Bob. Third, because of a letter I received from a so-called re-organized Minutemen. Enclosed is a photocopy.

First, I want to state that I don't believe the awful things that the letter says about you folks in Norborne. Second, I want you to know that I will stand with you all of the way and help you in any way that I can.

Third, Something needs to be done about this move to smear you, Bob and the rest of your family.

I don't know these people but am going to write to them and pretend to play along with them so as to find out all that I can. Naturally I will keep you informed about all that I can find out.

I have written the DePugh family in Independence and will get both letters off to all of you at the same time including the letters to the addresses given in the "smear letter" that I received from the "new" Minutemen.

Write and tell me what you want me to do to combat this new event that threatens Bob's sacrifices for God and Country.

Keep up the faith. Don't falter. There are many of us in the country who are with you all of the way. I await your answer.
GOD BLESS YOU!

For Christ and America,

Roy

Bright Side of Trials to Come

God's Wrath...

THE ULTIMATE RESOURCE
OF HIS MERCY

By Fr. GEORGES de NANTES
(of France)

People in our times are very, very frivolous. Perhaps that is an excuse for them. Earthquakes do not wake them up, cholera only bothers them physically, not spiritually. We don't know of any bishop who has ordered prayers, fasting, and processions against contagion, so that we might be spared these great torments which the Church has always regarded as chastisements: "A flagello terraemotus, libera nos, Domine. A peste, fame et bello, libera nos, Domine." We no longer have the fear of God. We are frivolous indeed.

God's Love...

By Father Hilaire de la Transfiguration, O.D.M.
(Republished from MAGNIFICAT)

God's chastisement of humanity is inevitable. But if we were to think only about the sufferings that it will be necessary to endure during those sad days, we would lose courage and would only be able to live in sadness. God does nothing without a reason, and His reasons are always marked and motivated by love, even when He strikes. We must not for a moment doubt God's limitless love for us. In particular, we will have to keep from doubting it during the darkest days. If God, regretfully and after so many repeated warnings, is preparing to chastise the world, it is because He has exhausted all other means to bring humanity back to the road of true happiness.

impenetrable. Admission is by TICKET ONLY, and your ticket must be properly signed by the Rabbi. The whole legend of "Communism" and "Anti-Communism" is a charlatany, designed to "channelize" the opinion and UPHOLD THE POWER OF THE JEWS. The "Right Wing" steers loyalties into the hands of the RICH who are and always have been the principal financial backers of World Communism. Charlatans of this ilk call to mind the word of St. John: "Come with me and see the condemnation of the Great Harlot who sits upon the many waters." An angry nightclub singer chanting THE BLACK GLENN WILL FALL gives point to other words of St. John: "They shall hate the Harlot and they shall eat her flesh, and shall make her desolate and naked, and she shall be burned up in fire, for strong is God who will judge her."

Today the whole world thirsts for the blood of the American Jews. They have promised themselves great idealists. They have promised that they will create "The Messianic Kingdom" (i.e., that they will wipe out the white race). They have promised to create "A World State with a World Court in Jerusalem" (David Ben Gurion's words). Billy Buckley says, in the 22, 1970 NATIONAL REVIEW, on the 1017 "We were taught (and I continue to believe) that there was something very close to an undeniable moral imperative to the aid of the Jewish people of Europe who were about to be systematically exterminated." Buckley of course is speaking of World War II, of the good old days when we sent our boys-overseas to fight for the Jews. Buckley will soon have another opportunity to fight for the Jews, but this time it will not be overseas. It will be right here. The world today is so sick and tired of the lies of the American Jews that it will be here to GET them. Today's world really has had a bellyfull of the Jews. It wants to GET them, and next time the

they would kill him. In order to put ten percent of their pet theories into practice, it would be necessary to tear down the physical plant of American Industry and rebuild it completely, in accordance with an entirely different, technological philosophy. "Technology" is a word the American Conservatives seldom use, because it does not fit into their concocted mythology. The real bug in the rose is the fact that the big-time FREE ENTERPRISERS of America are and always have been the principal financial backers of World Communism. "Economic Conservatism" is a front for the Jews and nothing else. We are FED UP with JEWISH RULE, whether it wears a "Conservative" or a "Radical" mask, and it often wears both. RACE is the important thing. Our talented European races created the greatest explosion of economic energy in all history. We need no guidance from Jew "Economic philosophers." The JEWISH system which rules over us today has no legitimate claim upon our loyalties: OUR America is not a Jewish pig pen prostituted to Mammon; to us, the word AMERICA has meaning only because the footsteps of ARYAN Man have fallen here, only because ARYANS have fought and struggled and loved and laughed and lived here. We loathe and hate the "Jewish Colony of America." We hate it nearly as much as the rest of the world does. Let us make it abundantly clear to Spiro T. Agnew and all other parties concerned that we will not wave the Stars and Stripes and cheer while some Jew quietly gloats over the power he exercises over us through the shabbos Goyim in the administration. Take your pack of pawnbroking swine and go hang! We have had a bellyfull of shabbos Goyim!

And fear ye not them that kill the body, and are not able to kill the soul; but rather fear him that can destroy both soul and body in hell. Matthew 10:28.

BLUEPRINT FOR VICTORY

By ROBERT DePUGH

The persecution of Robert DePugh by the so-called "Government" of the United States and its corrupt lackeys of the Federal Judiciary is one of the blackest pages in the sickening history of Marxist tyranny. While the apostles of revolution and nihilism are free to advocate and commit all sorts of acts of sabotage and moral degeneracy, Robert DePugh languishes behind bars, the victim of a classic Marxist-Judicial frameup.

Blueprint for Victory is DePugh's answer to the dark and sinister forces bent upon the destruction of American nationhood. This is a challenging book that should be carefully read by every American who loves justice and hates tyranny.

Proceeds from the sale of Blueprint for Victory will help defray the high legal costs of the continuing battle to free Robert DePugh. In addition you will receive free of charge, a copy of Mr. DePugh's pamphlet Critique of Objectivism. Paper Cover \$2.00.

Dear [redacted]

We thank you sincerely for your Christmas message and your inquiry. We are doing rather well after my stay in the hospital. I was there for some surgery which was the result of incompetent work on the part of some army surgeons. The matter has been bothering me for many years and at the end of the summer the condition started to worsen. After consulting several M.D.'s I decided to have the condition corrected.

Yes, I taught at the school almost daily during July and August. Goff had some difficulty with the KRS and couldn't be in attendance. There were some preachers from the Middle West, whom I didn't know, who assisted. I felt that quite a few people had come, many of them from distances, and that they should be given every consideration possible. There were several from California and some from Texas as well as other States. I didn't give much attention to their names or addresses but I am certain that some of them knew you.

I had the opportunity to enlarge on the subjects of "Race", "Socialism", and "What Must Be Done At Once" and had good reaction.

The shooting you mention was the result of a dispute between some tenants. I don't think Goff was involved in any way but the affair didn't help the reputation of the "Soldiers of the Cross."

I don't know whether or not Goff has any one interested in buying the Camp. ~~xxxxxx~~ I doubt it. The buildings are not in the best of condition, the location is not exactly the best, the road leading to the camp is not paved, the lane is miserable, etc., etc., etc.. Perhaps something must be done with the place, as the people who sold it to Goff ([redacted] is the name) were indicted for fraud and convicted last month. It was a Federal charge which means that a full inquiry will be made into the affairs of the [redacted] and if there is any equity in the Camp belonging to the [redacted] the Feds will seize it. Now, this is an opinion and I am not sure what steps have been taken as of this date, so don't quote me.

I am preparing to organize a Committee for the purpose of making the general public aware of how desperate is our plight. This will expose the people behind the nigger problem and the traitors behind the socialist revolution. I have a great many documents which will throw proper light on where we are and how we got there.

I am of the opinion that 100 good men and true can accomplish wonders if they come to grips with the real problems. This will be largely a campaign of advising & arousing through the printed word. My Committee in Chicago did a grand job using the techniques which we will employ. Something must be done and at once. I am only waiting for a little more improvement in my physical condition for the start.

Again I want to thank you for your Greetings and extend to you and Mrs. Brown every best wish for the 1971 and all the years thereafter. Also, we hope to hear from you again.

Sincerely

To All Americans Interested In Preserving Our Nation and Race:

Senseless Americans, as well as minority groups and integrationists, are to blame for the racial trouble which now overwhelms us and threatens to end our liberties and way of life.

If White Americans would refuse to patronize or engage in racially mixed activities including businesses, services, schools, games, TV, radio, movie and stage entertainment we would soon put an end to the threat of total disaster which approaches.

Boycotting racially mixed businesses, services, schools, athletic games, churches and entertainment would not deprive the negro of any legal or moral right. Anyone has the right and should have sufficient love of country and race to help keep the above named activities all white or all black. Mixing the races is the blueprint for the destruction of our nation and civilization.

So, again, if you want to help preserve our race and nation, boycott all racially mixed activities, including television. When a racially mixed program is offered to you, notice the sponsors name in the commercial and vow that never again will you buy his product.

Everyone should be willing to make this small contribution to the preservation of our race, nation and way of life.

ANOTHER AMERICAN LEARNS ABOUT RACE MIXING—THE HARD WAY

HON. JOHN R. RARICK

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 12, 1970

Mr. RARICK. Mr. Speaker, it has been some 4 months ago that I called to the attention of the House the most recent of the classical Putnam letters—this one addressed to the current occupant of the White House, President Nixon.

Neither a doctrine of fairness nor any standard of honesty in reporting applies to the news trust—which controls and pollutes our news.

When a distinguished American, renowned as a scientist, an attorney, a scholar, and an author, is compelled to buy full page advertisements in the leading daily newspapers to break through the curtain of silence and tell the American people the truth, it should concern all of us. When some of the leading liberal papers refuse to sell advertising space to tell their readers the truth, only because the truth does not agree with their own propaganda campaigns, it should begin to alarm all of us. This is the situation faced by Mr. Putnam in his one man quest for national sanity.

The American people are awakening. They have disliked for some time the activities of the "limousine liberals," but they were successfully deceived into believing that they were alone in their failure to appreciate all of the integration benefits forced on them from the left. Now they know that they are not alone—that they are the large and powerful majority in this land, and they are speaking out in tones which are unmistakable despite being smeared by the Communist-coined trigger word, "racist."

As Americans have personal contacts with the racial subculture of the Negro, they can no longer be deceived by the propagandists. Nor can they any longer be convinced that it is somehow the fault of white America that the members of the Negro subculture behave as badly as they do.

In increasing numbers people are learning from their own sad experience the truth of the old adage that you can't make a silk purse out of a sow's ear—even by education, environment, or manipulated statistics. Americans who have known the facts for a long time, are now discovering that there are others, thoroughly respectable, who know the same facts.

I include in my remarks the letter received by Mr. Putnam from an obviously unbrainwashed American, and commend it to the careful perusal of our colleagues and of all other Americans who have not yet been exposed to the first hand experiences of its very experienced author. The letter follows:

FEBRUARY 21, 1970.

MR. CARLETON PUTNAM,
The Putnam Committee,
Washington, D.C.

DEAR MR. PUTNAM: Referring to your full page advertisement in the Chicago Tribune for 12 February 1970, I feel it worth while to tell you, for whatever use you might want to make of it, the experiences I had while living in Chicago which have made me what the "liberals" like to call a "bigoted racist."

Ten years ago I was a firm believer in racial equality. I was an "integrationist" to the extent that I believed every man of whatever color should rise or fall according to his own ability. I lived in Chicago then, in a very nice area of white people, good homes and handsome apartment buildings within half a mile of an area "liberals" like to call a ghetto, both misunderstanding and misleading

that term. When blacks began moving into the neighborhood, I had no desire to leave for that reason.

Six months later, the nice buildings were wrecks, the white people were gone and the area a social and physical shambles. Noise (24 hours a day), filth and garbage, immorality and crime were rampant, and white skins became the target of a malicious, blatant, organized black racism. When it became totally unsafe for whites to be in the neighborhood because of roving gangs of vicious killers, I moved my family to another area two miles distant.

Again, it was an excellent neighborhood, with handsome single-family homes in the \$60,000 to \$75,000 class (near the South Shore Country Club) and dotted with luxury apartment buildings, some of which were high rise skyscrapers. There I lived through precisely the same experiences I had had a short time previously, like seeing a movie a second time. Once again, the black tide came, spawning evil, filth, immorality and crime; once again, the roving gangs of black killers and vandals made the nights hideous with screams, yells, catcalls and smashing glass, and the days nearly as bad. I saw more than once blacks copulating in public, scarcely hidden behind hedges, standing in doorways, in cars parked along the curb like animals in their indifference to public decency. I saw with my own eyes muggings and the stripping of autos; I saw vandalism that deserved shooting on the spot. I saw theft in grocery stores, I found piles of human feces in the foyer of our building, without toilet paper, and our janitor told me that this was a common occurrence wherever negroes lived in apartment buildings. In our three-story building, containing 120 apartments, it was a nightly occurrence to hear men (presumably, although it could well have been women) urinating from upper windows and daylight would reveal dripping, reeking stains down the walls in many places. Screaming sex orgies were a common occurrence in the apartment across the hall, with bloody fights and crashing glass and splintered furniture. Again, it became impossible to live amongst these filthophiles—they like it that way! Not once did I ever see black people attempting to clean up their environment; all I ever saw was black people dumping their garbage out of windows, breaking every glass bottle they saw, throwing old furniture into the street gutters, stuffing rags into broken windows and casting plastic containers and old papers to the four winds. They will have it no other way. Give these animals paradise, and in a month it will be a jungle fit only for animals.

Knowing by then that in due time we would be leaving Chicago permanently for New Mexico, but at some time then still undetermined, I moved a third time three miles further south, again to a decent neighborhood. Once again, for the third time, I endured the same scenario, line for line, cue for cue. I left Chicago finally, after ten years among the blacks, with a profound racial prejudice arising out of personal experience. The blacks had caused me to dislike them beyond all measure. For whatever it might be worth in this context, I would have exactly and precisely the same reaction to white people who acted and behaved as the black people did.

I came from a background of white poverty every bit as pervasive and humiliating as that of a black slum, but instead of turning to crime—like uncounted thousands of other white youth during the depression—I worked, and I worked hard, for the social respect I wanted and expected. I didn't go around whining, with my dirty hands outstretched for alms and charity, and neither I nor my neighbors in poverty ever turned to violence as an answer to our poverty. If we wanted something, we either worked for it, or did without it, and our standard of living then was in every respect less than the standard of living now enjoyed by 95% of the black people in America today. Even in the midst of grinding poverty of Appalachia in the 1930's, my home and the homes of our white neighbors were clean. We lived decently amongst our neighbors, as our neighbors did. We tried mightily, and successfully, to be good citizens and good people. There was in our community no filth, no public immorality, no bastard children from the whored, no great neighborhood noise and racket, no gangs of sadistic killers and certainly no physical danger to our persons or our property. We slept with open doors in perfect safety.

Now your critics come along, mouthing the myth that the heavy black population of our cities is the victim of conditions there, not necessarily the cause of those conditions. They are wrong, as are all of those who espouse this fallacious legend. They are 100%, utterly, completely, wholly, entirely, absolutely, massively wrong. They do not know what they are talking about, and if they were to undergo the experiences nearly all whites have had trying to accept a way of life that is not acceptable, they would not write what they have written, or anything like it. They would be writing what I am writing, whether they believe they would or not.

Black people may have lived among white people for generations, but the white ethos does not rub off on the blacks, any more than the black color rubs off on the whites. Black people whine, rant and rebel because white people don't like them, and will not accept them, yet blacks are unwilling or unable to behave themselves in such a way that white prejudice will be overcome by respect. These people want handed to them on a silver platter, without the condition of personal responsibility, what white people have worked hard for, for generations themselves. The black people riot, loot burn and kill because for 300 years, they whine, they have been "repressed" and "oppressed" by the white "establishment." The black males weep "tears" the size of golf balls because, they slobber, they have been "deprived" of their masculinity—they would eagerly and cheerfully destroy the "establishment" that has cared for them, their prostitutes and bastards since the black man has been on this continent. They would destroy this nation, cheerfully, in a racist holocaust the like of which white people would never even dream of. Among them rise organizations like the vicious black panthers, dedicated to overthrowing this nation by force, and when these liver-lipped bastards are called to account by law and order, they whine "genocide," as if, for them, it wouldn't be a good thing. All the white racism in the United States put together can not surpass or even equal the insane racism of the blacks. The jungle and its first law of nature is just under the black skin, even on the likes of senators, supreme court justices and "leaders" of the blacks.

When your critics write that blacks are not the cause of their social conditions, they obviously write without experience or knowledge on the subject. They are but repeating the myth so assiduously cultivated by the "liberals," who wrongly consider that because black people are in some ways physically like white people, there is no other difference than skin color. This is not only specious, but stupid. There is a difference, a profound, fundamental difference. Intimate contact with black people, in a black environment, would show these liberals those differences starkly and quickly. To perpetuate this lunacy of "equality" is to drive further into the heart of this nation the stake of racial conflict. Only when it is understood and accepted as fact that there are basic and fundamental differences between the two races will there ever be any kind of social tranquility again. The folly of "equality" is the toxin of doom for America; how anyone can review what has happened since 1960 and not see that conclusion is incredible. How responsible journalists can encourage and perpetuate the monstrous notion that the black community is not responsible for its own condition is unbelievable. Instead of telling these people that white racism is the reason for black conditions, why not tell them that personal responsibility and public decency will go a lot farther towards social "equality" than rioting, crime and lawlessness. Why not tell black people that white people everywhere are (or ought to be) fed up to the eyeballs with loudmouth revolutionaries screaming obscenities and gangs of ruthless killers roaming the streets of cities at night. Why not, for just once, just plainly tell the black people that the best—if not the only—way to get the respect of white people is to earn it, by behaving like decent people instead of jungle animals.

It is not always the white who criticizes the black who is the bigot; to hold black people blameless for their own social filth and personal misbehavior is also, bigotry, and every bit as bad if not worse.

Yours truly,

ROBERT B. MCCOY.

Dear Earl,

Thanks for the most welcome letter. It was very informative as it answered several questions that had been puzzling me.

We are happy to hear that your health is getting better. We are feeling fine ourselves.

I want to hear more about your ideas concerning the battle against the enemy from within.

As your letter implied, I take it that you plan on organizing an elite group of your own. If so, then I am very interested as I have much respect for your good judgement.

I missed coming to S.O.T.C. this last summer and being able to meet and talk with you but Ken and I finally had to split. Johnnie was the cause. I knew that sooner or later she would do or say something that would cause trouble between Ken and myself. She has destroyed S.O.T.C. step by step but couldn't have done it without Ken's blind cooperation.

Give Mrs. Southard our best regards. Let me hear from you on your plans. Perhaps I could be of assistance in some way. You and I always worked together very well at camp.

My school keeps me pretty busy but mabe you have something in mind for me in your new group when you decide what you are going to do.

I look forward to hearing from you soon.

Sincerely yours,

Ray

THE IXth CRUSADE

819 NORTH 13TH AVENUE
HOLLYWOOD, FLORIDA 33020

MARY D. SANTOS, Director
State of Florida

November 5, 1971

Dear Friend:

Under separate cover, you have recently been mailed a copy of "The IXth Crusade". The content thereof is self-explanatory. Moreover, regardless of your religious convictions, it is applicable as a counter-force for good in the last-ditch battle being waged today against the advocates of evil.

As a truly concerned Christian American, we ask you to support our non-profit efforts. For to be sure, with your help, we can, and will succeed in enlisting The Power of God in the struggle to recapture our nation and way of life from satanic evil.

Donate as much as you can to "The IXth Crusade". Remember:
The America you will help to save is your own!

God Bless you,

Mary D. Santos

FRANK H. NILES

I. Background

ALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 5/23/00 BY SP2ALM/edg

A. Birth Date

Niles is reported to have been born February 24, 1902, at St. Paul, Minnesota according to information received February 13, 1964, by [redacted] Identification Officer, Mansfield, Ohio Police Department.

b6
b7C

B. Citizenship

As reported above, Niles is reportedly a native born citizen.

C. Education

A source, who has furnished reliable information in the past, advised on January 5, 1966, that on several occasions Niles had stated that he had little formal education and was only a "bircklayer".

D. Marital Status

On March 19, [redacted]
[redacted] American Encyclopedia, Incorporated, 20800 Center Ridge Road, Fairview Park, Ohio, advised that Niles was divorced and the name of Niles' former wife was not known.

E. Residence and Employment

FRANK H. NILES

Source also advised that Niles has made preparations to move his Christian Education Association to that location.

II. Connections with Subversive Organizations

Niles has been an active supporter of the Nationalist Socialist White Peoples Party (NSWPP) and while in New Jersey was associated with the Christian Education Association (CEA).

The National Socialist White People's Party (NSWPP), also known as The American Nazi Party, American Nazis, and the George Lincoln Rockwell Party, was organized on February 26, 1956, at Arlington, Virginia, based upon the concept of an international "National Socialist" movement as espoused by the German Nazi Party headed by Adolf Hitler. The organization supports and follows the line of hatred against Negroes, Jews, and communists through various propaganda media seeking a legitimate dominant political party in the United States and foreign countries.

A characterization of the CEA appears in the appendix attached hereto.

III. Miscellaneous

Niles is an alcoholic and had in the past possessed firearms and, therefore, should be considered to be armed and dangerous.

APPENDIX

The Christian Educational Association (CEA) of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense", a tabloid size newspaper published twice monthly except once each during July and August. On August 6, 1965, [redacted] advised she has been acting manager of "Common Sense" since the death of the editor, Conde Mc Ginley, on July 1, 1963. She stated she was associated with Conde Mc Ginley for 17 years and since his death has been continuing his editorial policy.

On May 5, 1967, [redacted] advised there has been no change in the above situation and that the paper still does not have an editor.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Hate Groups" which discussed their growth and objectives at length. This report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the committee".

According to the report, "Common Sense" depicts communism as Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi Government in Germany is also shown in the paper.

INFORMATION

Legat, Ottawa, notify Canadian officials of the facts concerning Niles' extremist tendencies and verify his present location in Canada.
